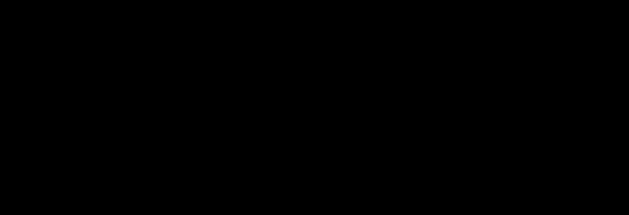
RUSHHHH

WHAT... WHAT DO WE DO NOW?



TWO

WELL...

WE CAN'T GO BACK THE WAY WE CAME.

THAT WATER IS FAR TOO FAST TO GO BACK UPSTREAM.
NOT SURE IT'S EVEN SAFE TO SWIM FURTHER IN. NOT IF WE WANT

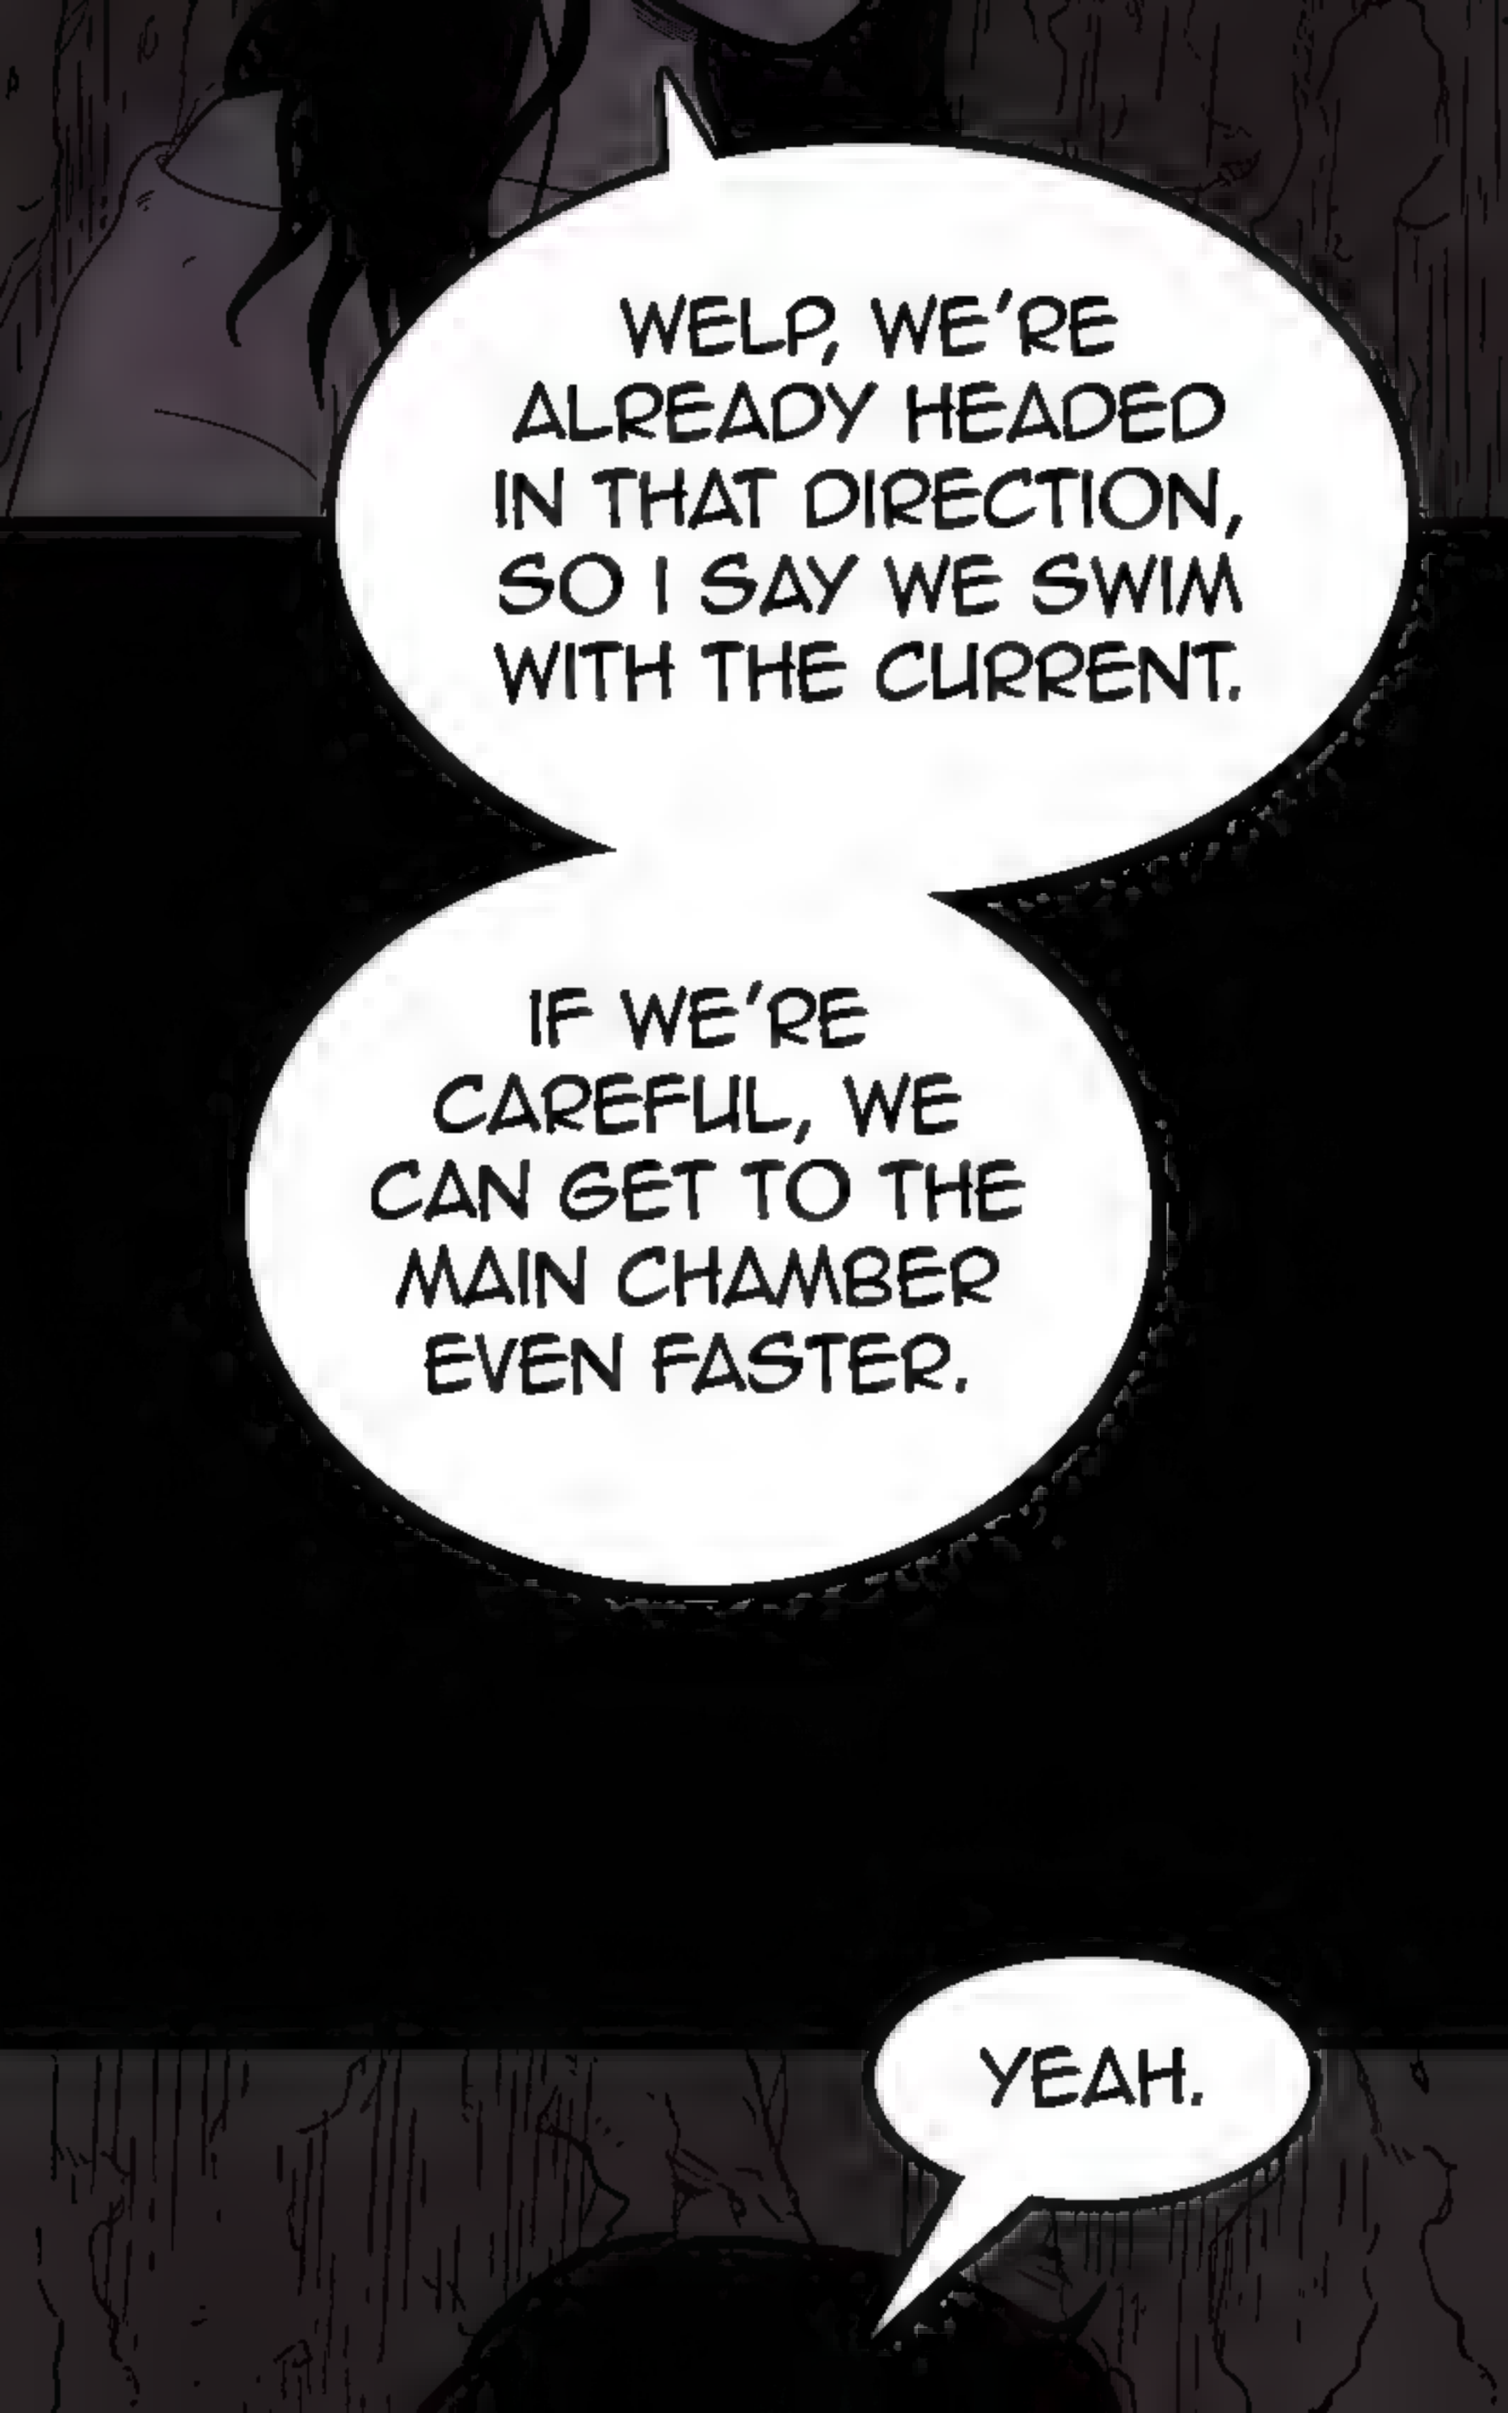
TO AVOID HITTING THE WALLS.
I GUESS...
WELL, WE STILL HAVE THE PACKS, AT LEAST.

HAD THE PACKS, FRAN.
MINE WAS SMASHED ON THE ROCKS.

THE BOTTLES FOR THE MOLOTOVS ARE BROKEN, AND THE GAS LEAKED OUT OF THE CANISTER.
JUST GREAT.

WE STILL HAVE THE SPRAY CANS AND THE LIGHTERS, AT LEAST.
SO THAT'S SOMETHING.

BETTER
THAN NOTHING,
I GUESS.



WELP, WE'RE ALREADY HEADED IN THAT DIRECTION, SO I SAY WE SWIM WITH THE CURRENT.
IF WE'RE CAREFUL, WE CAN GET TO THE MAIN CHAMBER EVEN FASTER.
YEAH.

THAT'S WHAT I DON'T LIKE ABOUT IT.
THE WATER PUSHING US IN THE DIRECTION WE *WANTED* TO GO. LIKE IT ALSO WANTS US TO GO THAT WAY.

IT'S SUSPICIOUS.
I KNOW HOW IT LOOKS, YEAH.

BUT LIKE IT OR NOT...
WE HAVE NO OTHER CHOICE.

WE CAN SIT ON THIS LEDGE FOREVER, OR WE CAN GO THAT WAY.

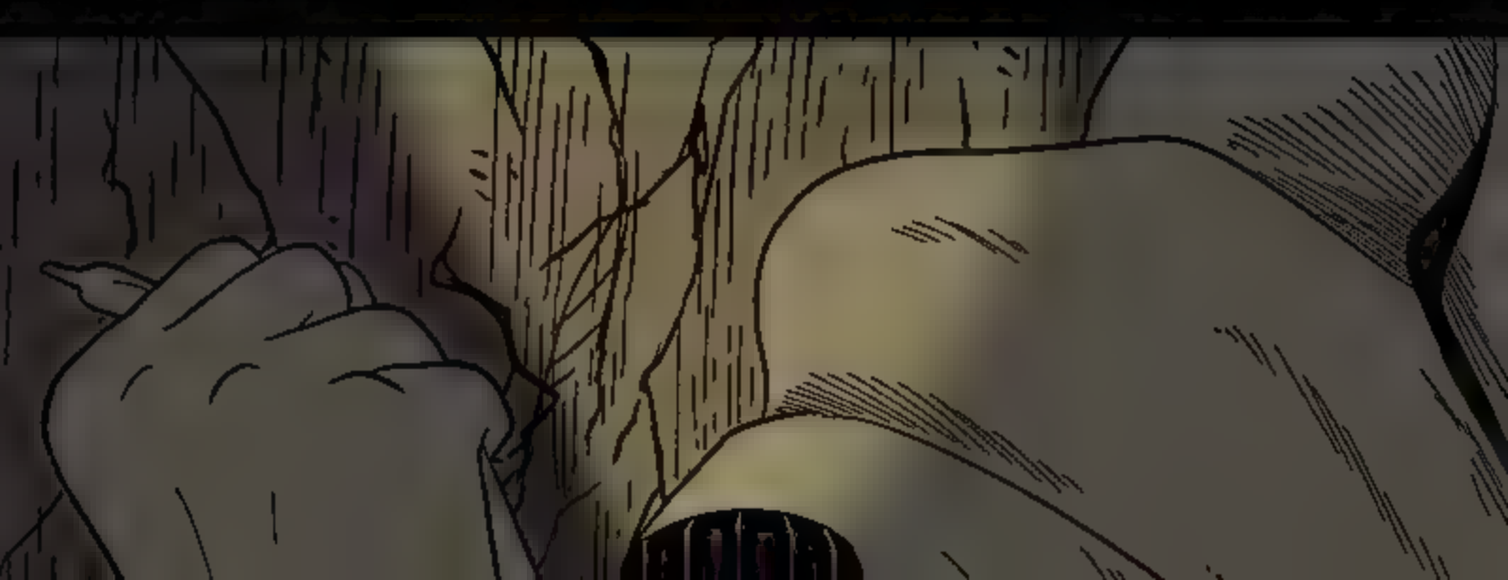
OR, YOU KNOW...DROWN.

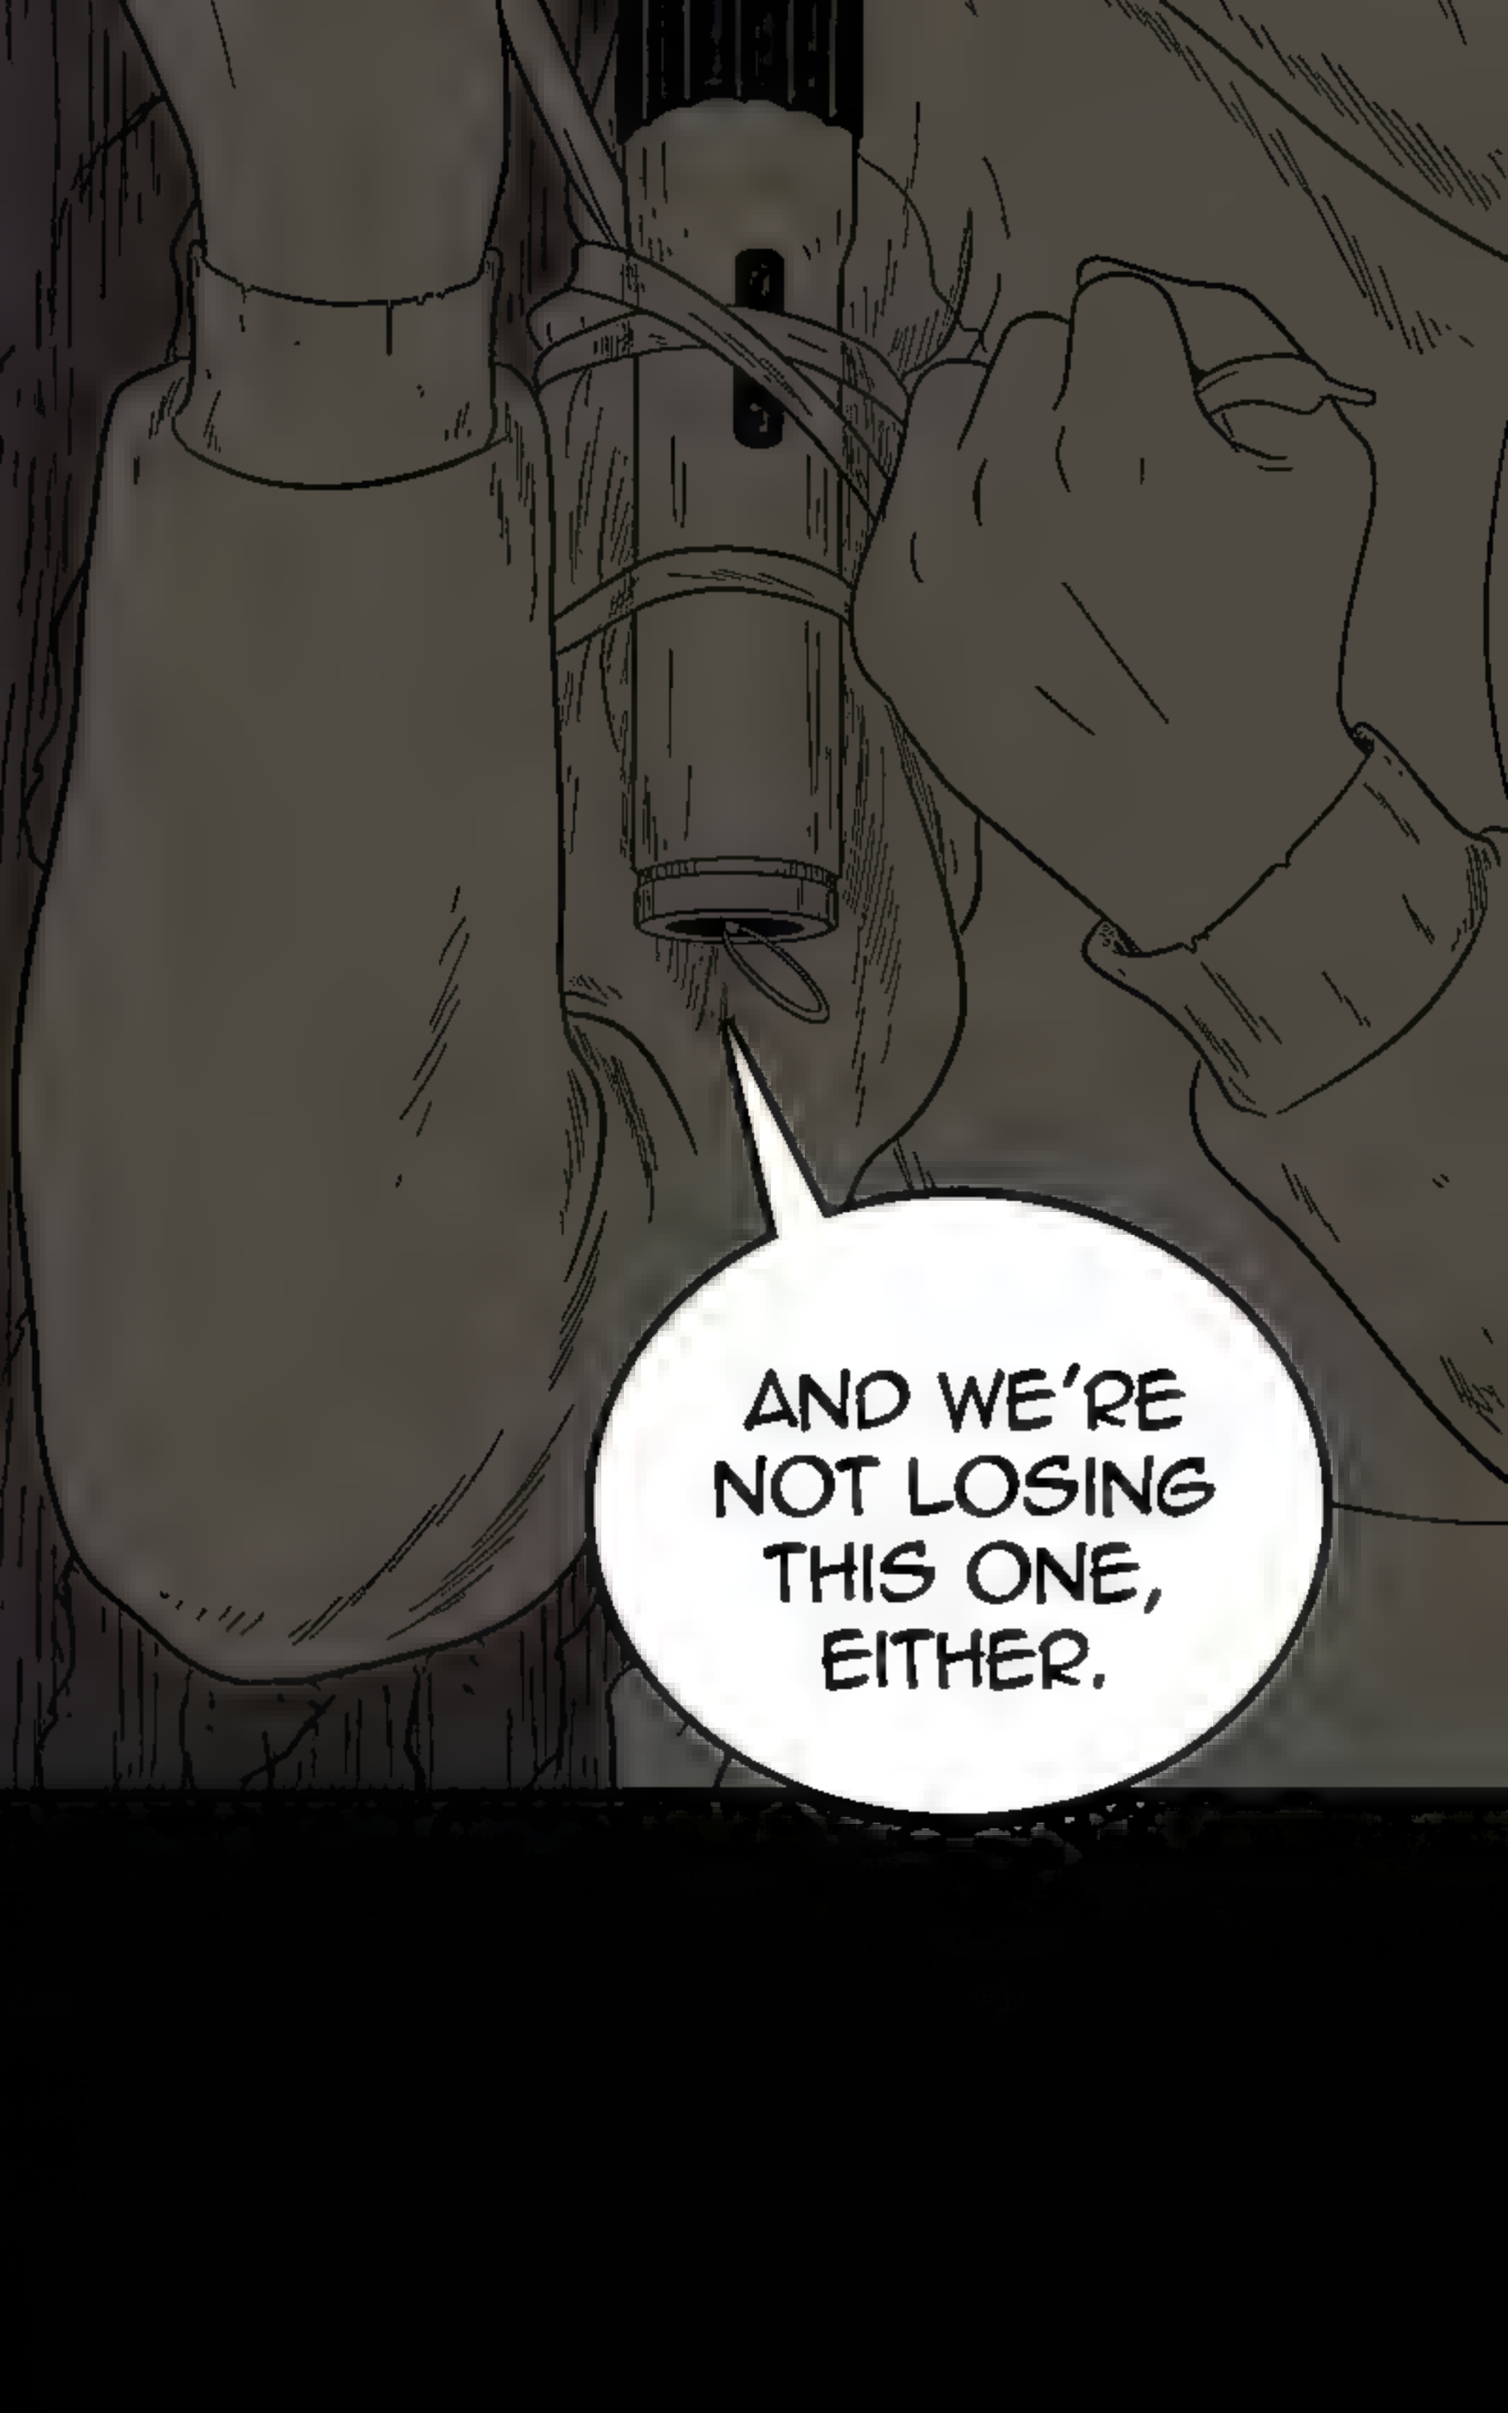
LOOK, WE PRETTY MUCH CAN GUESS THIS IS A TRAP, AND THAT WE'RE EXPECTED.

SO LET'S JUST EXPECT IT RIGHT BACK, AND BE ON OUR GUARD.

WELL, LEAST WE HAVE THE WATERPROOF FLASHLIGHT LEFT.
PRETTY SURE IT USED WATER FOR A REASON.

IF THAT THING WANTED US TO LOSE ALL OUR GEAR, IT DIDN'T SUCCEED.





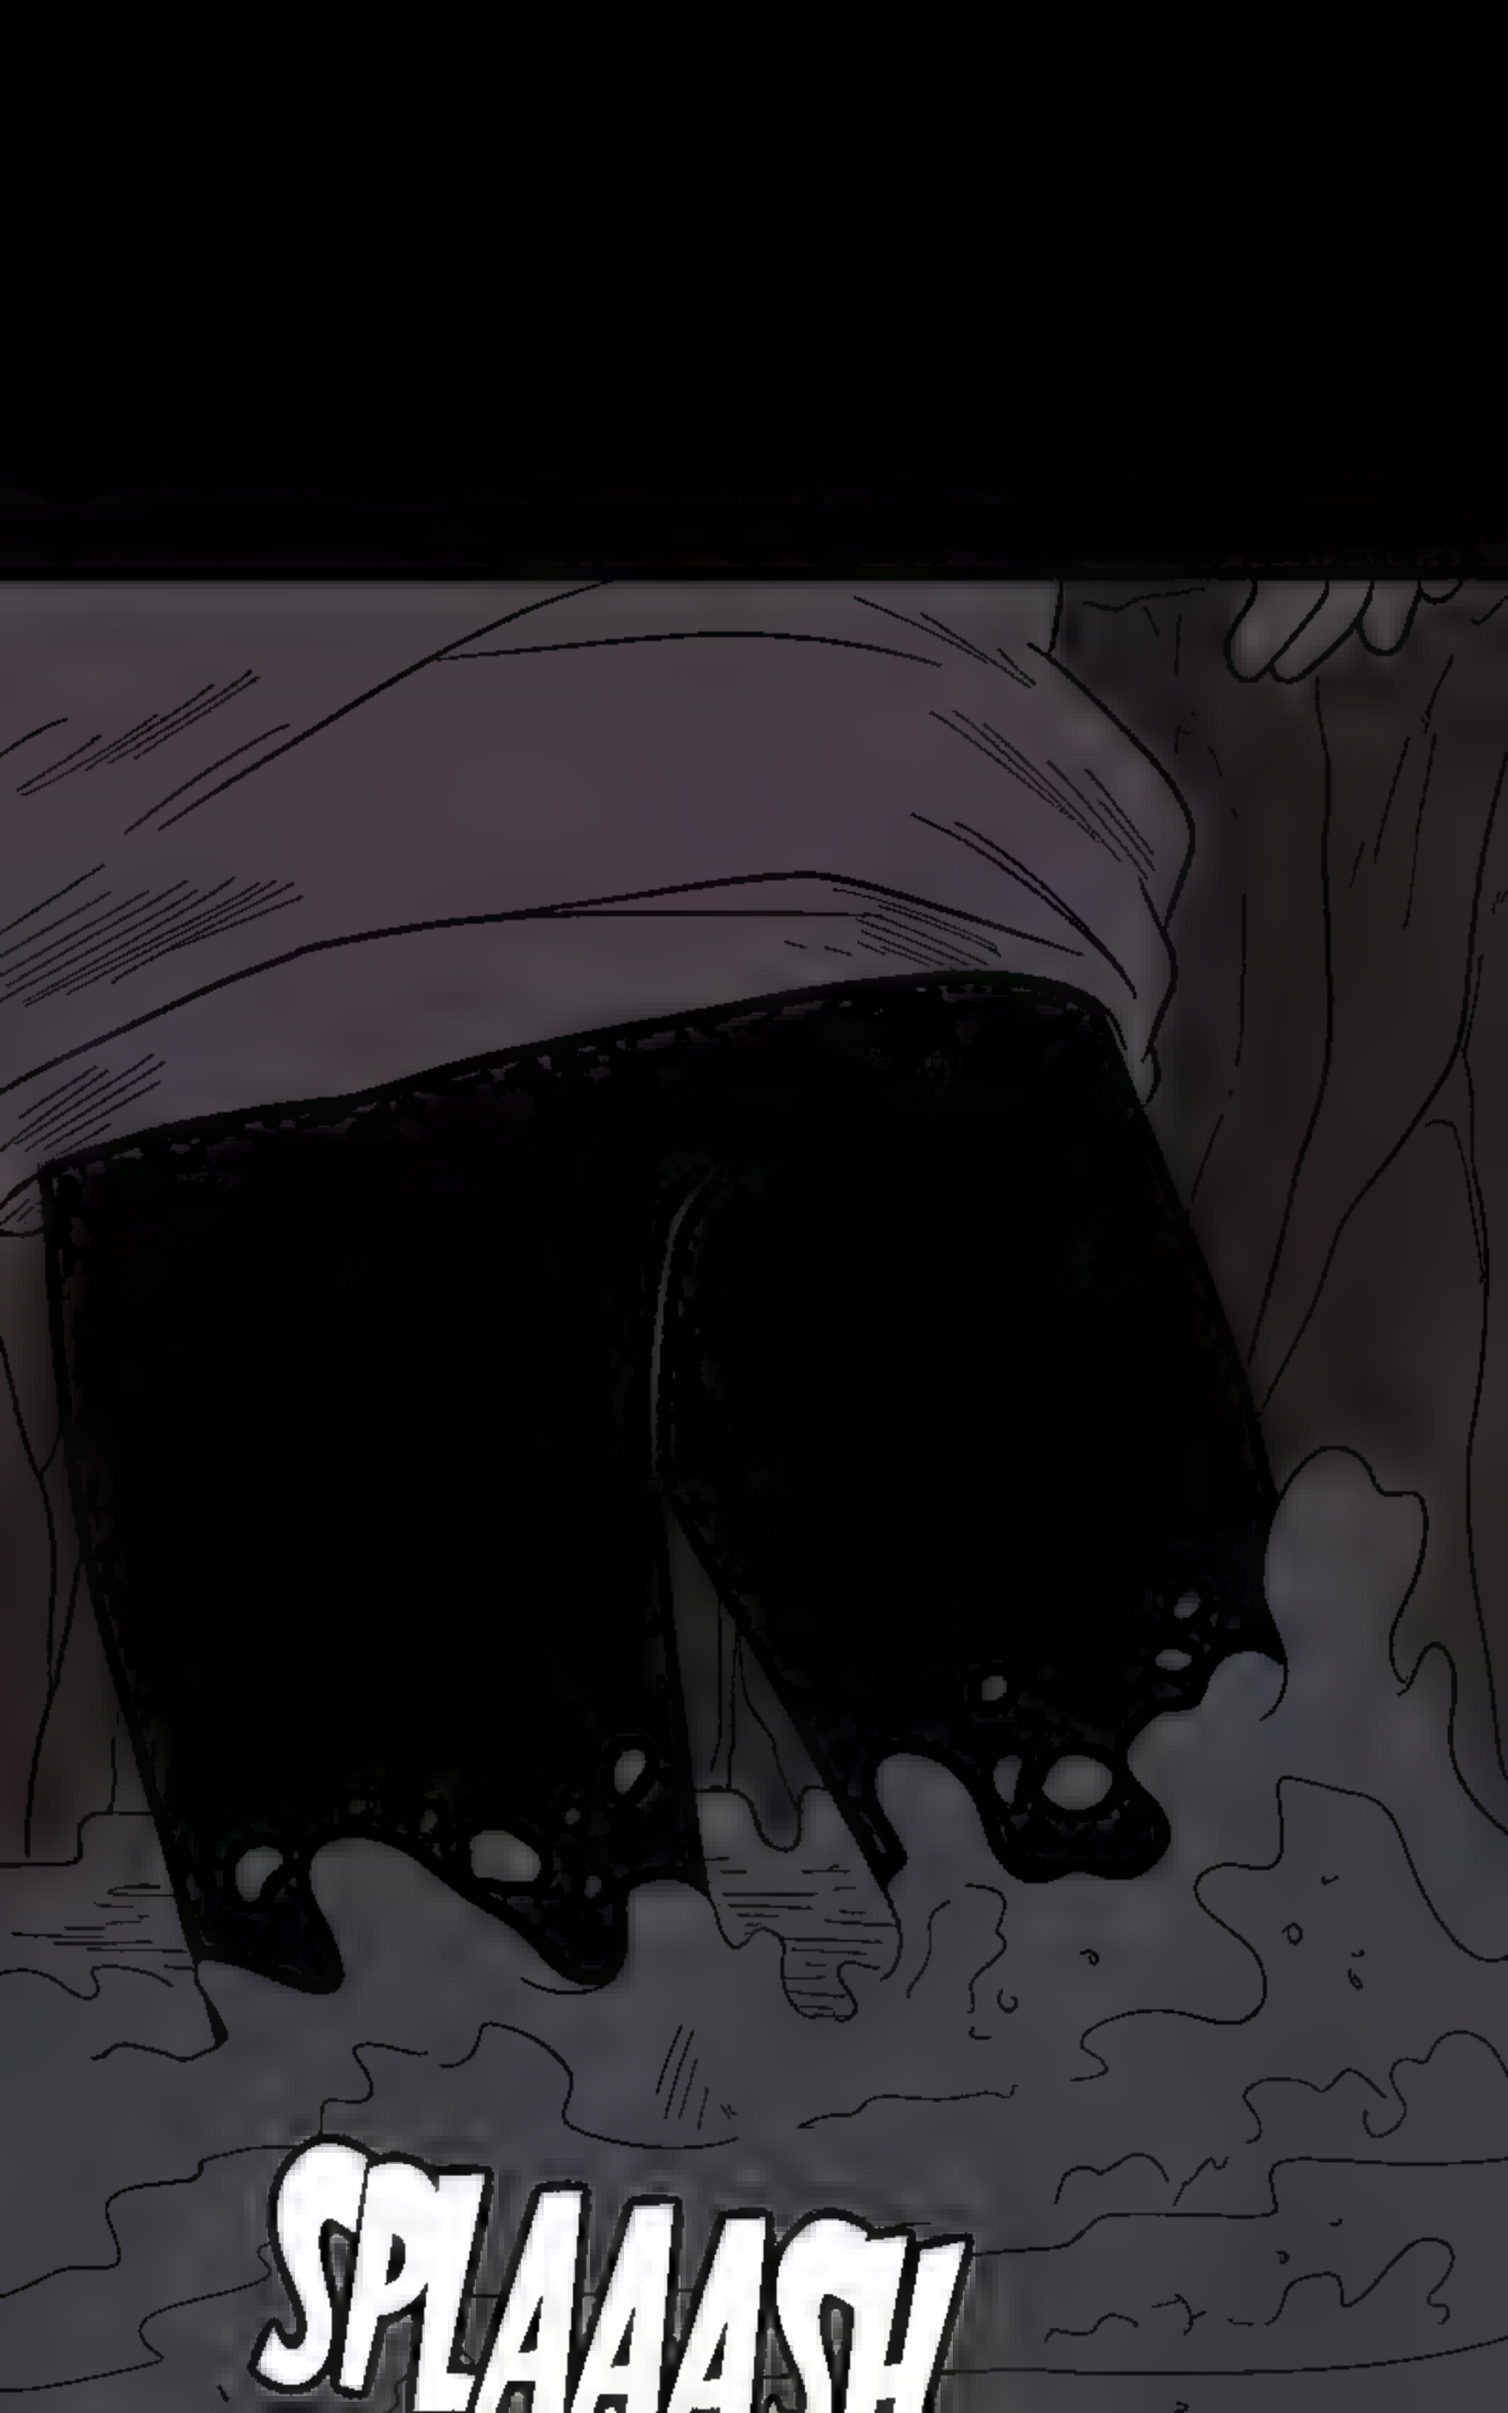
AND WE'RE NOT LOSING THIS ONE, EITHER.

WELP...NO TIME LIKE THE PRESENT.
EVERYONE IN THE WATER.

MAKE SURE TO HANG ON TIGHT TO THE LEDGE.
DONT WANT TO GET PULLED AWAY FROM EACH OTHER.

UGH.
I KNOW WE HAVE TO DO THIS, BUT I *HATE* THAT WE HAVE TO DO THIS.

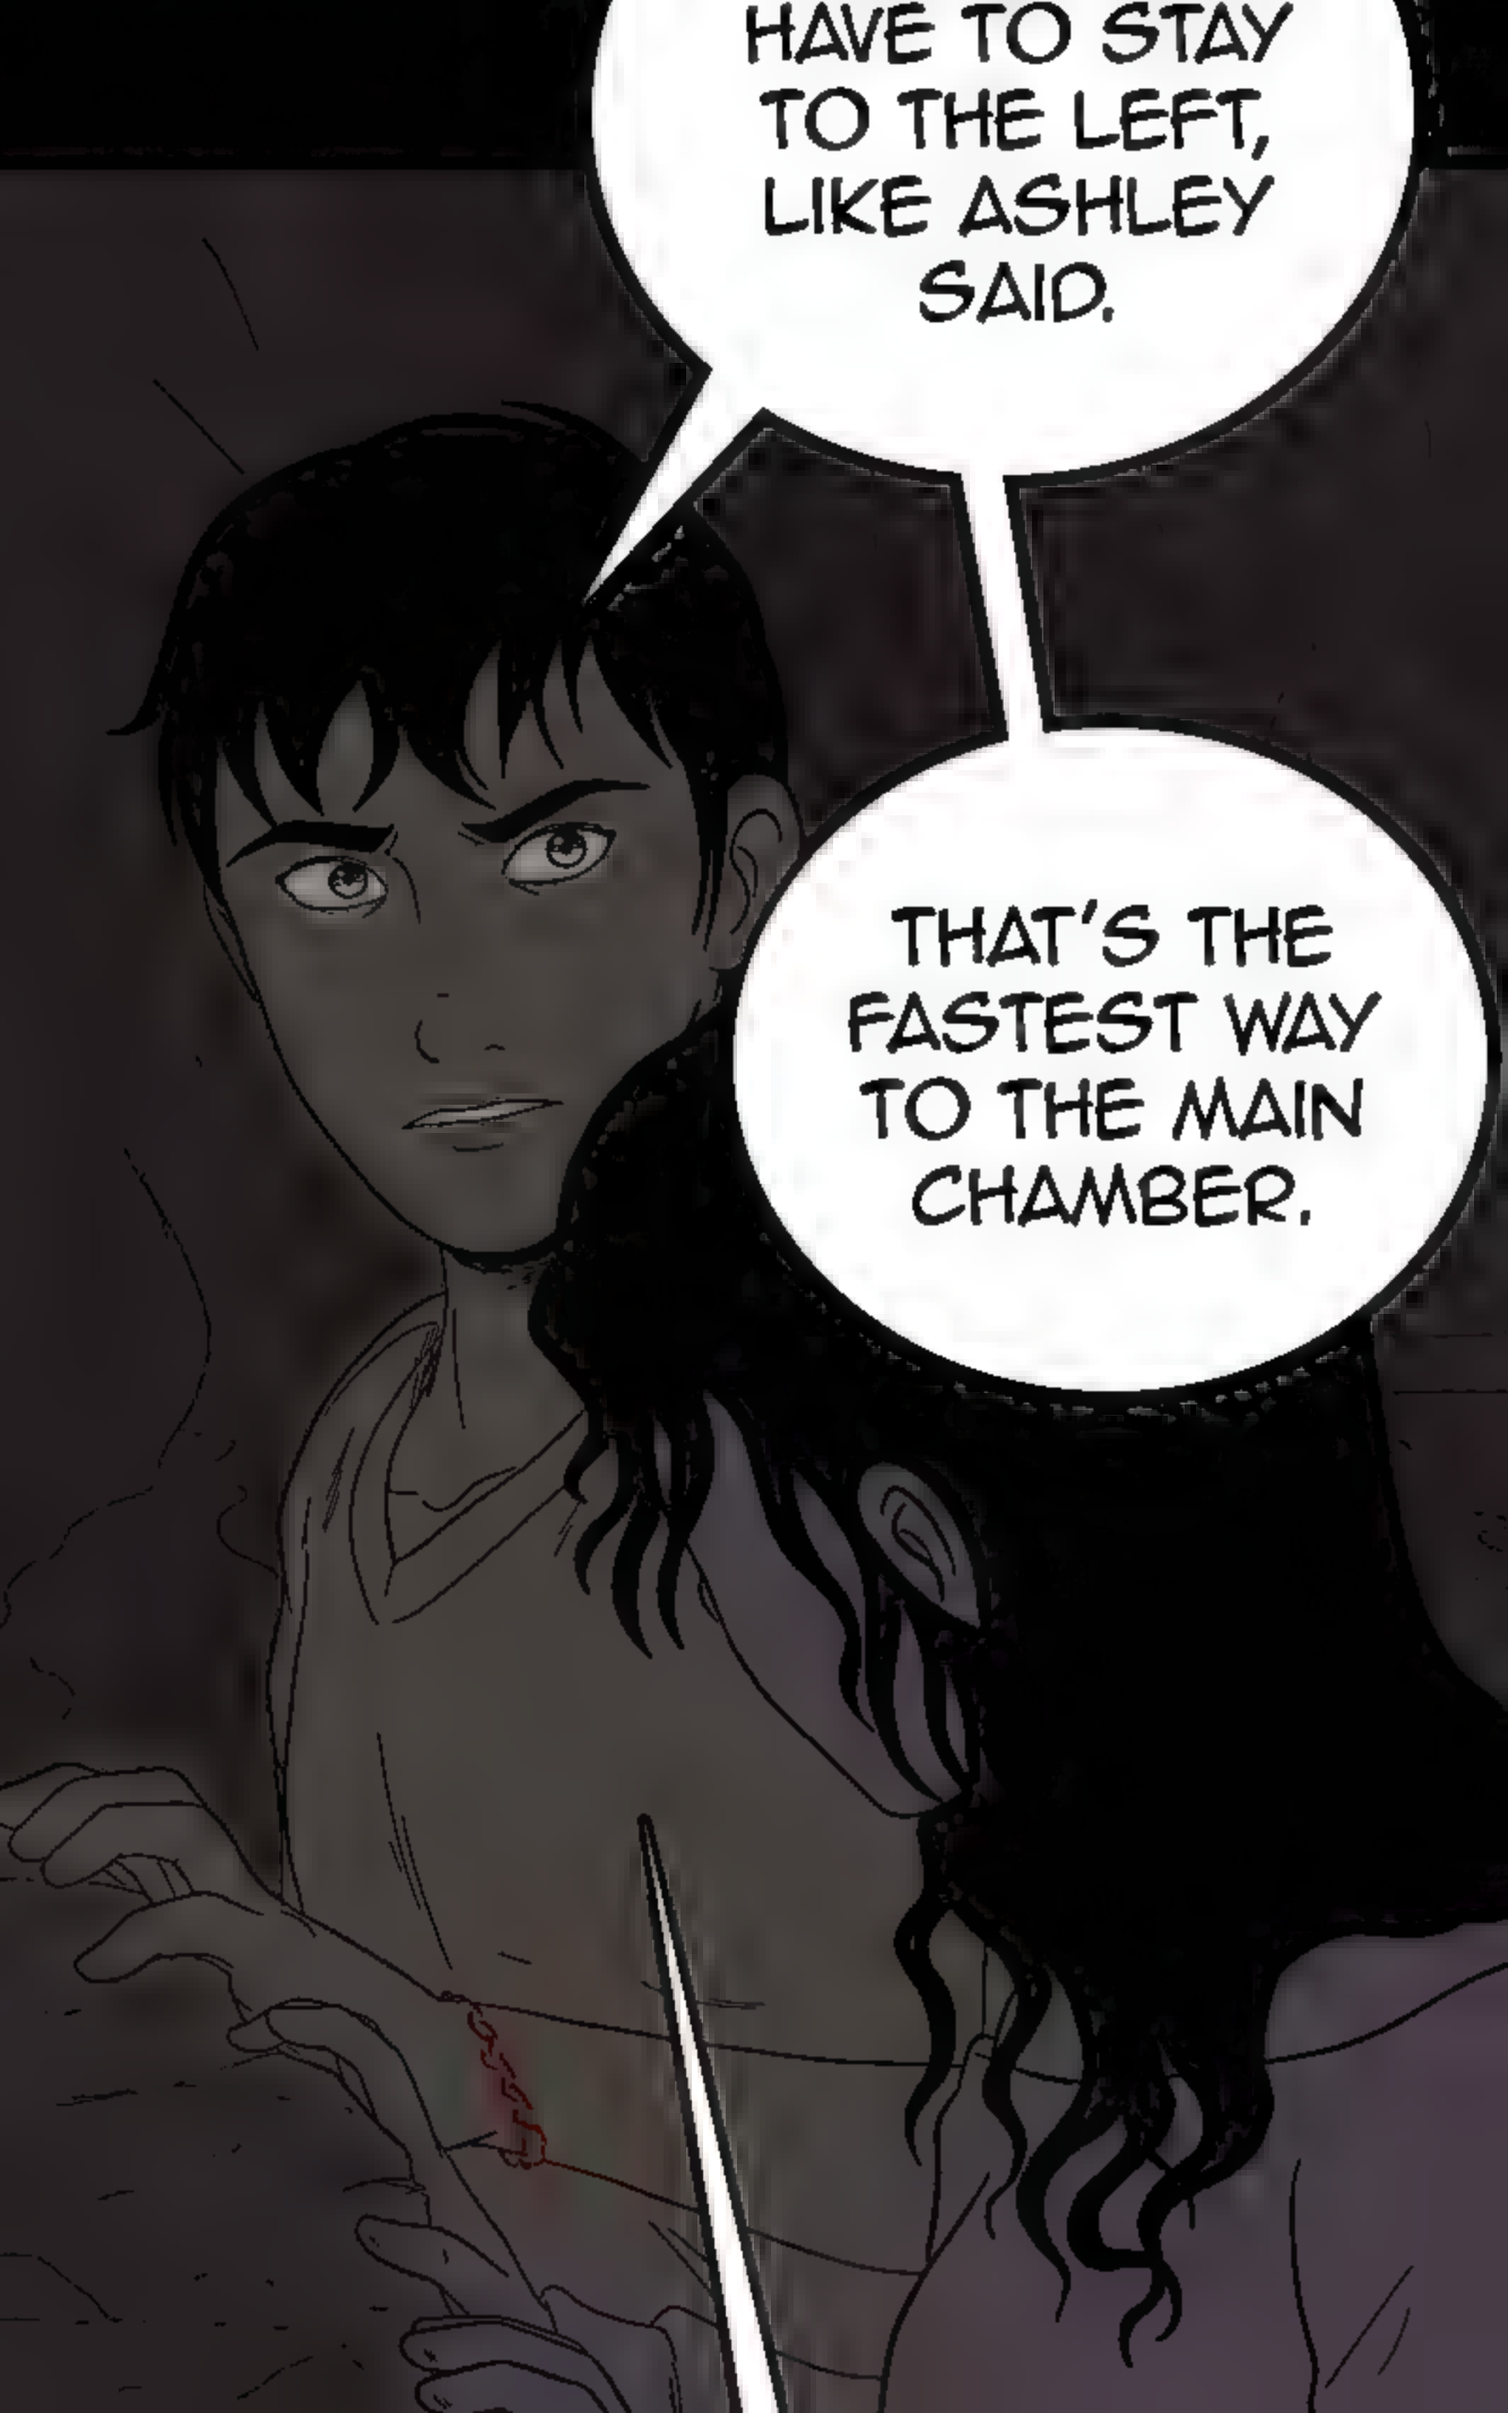
MAN, IT'S COLD...



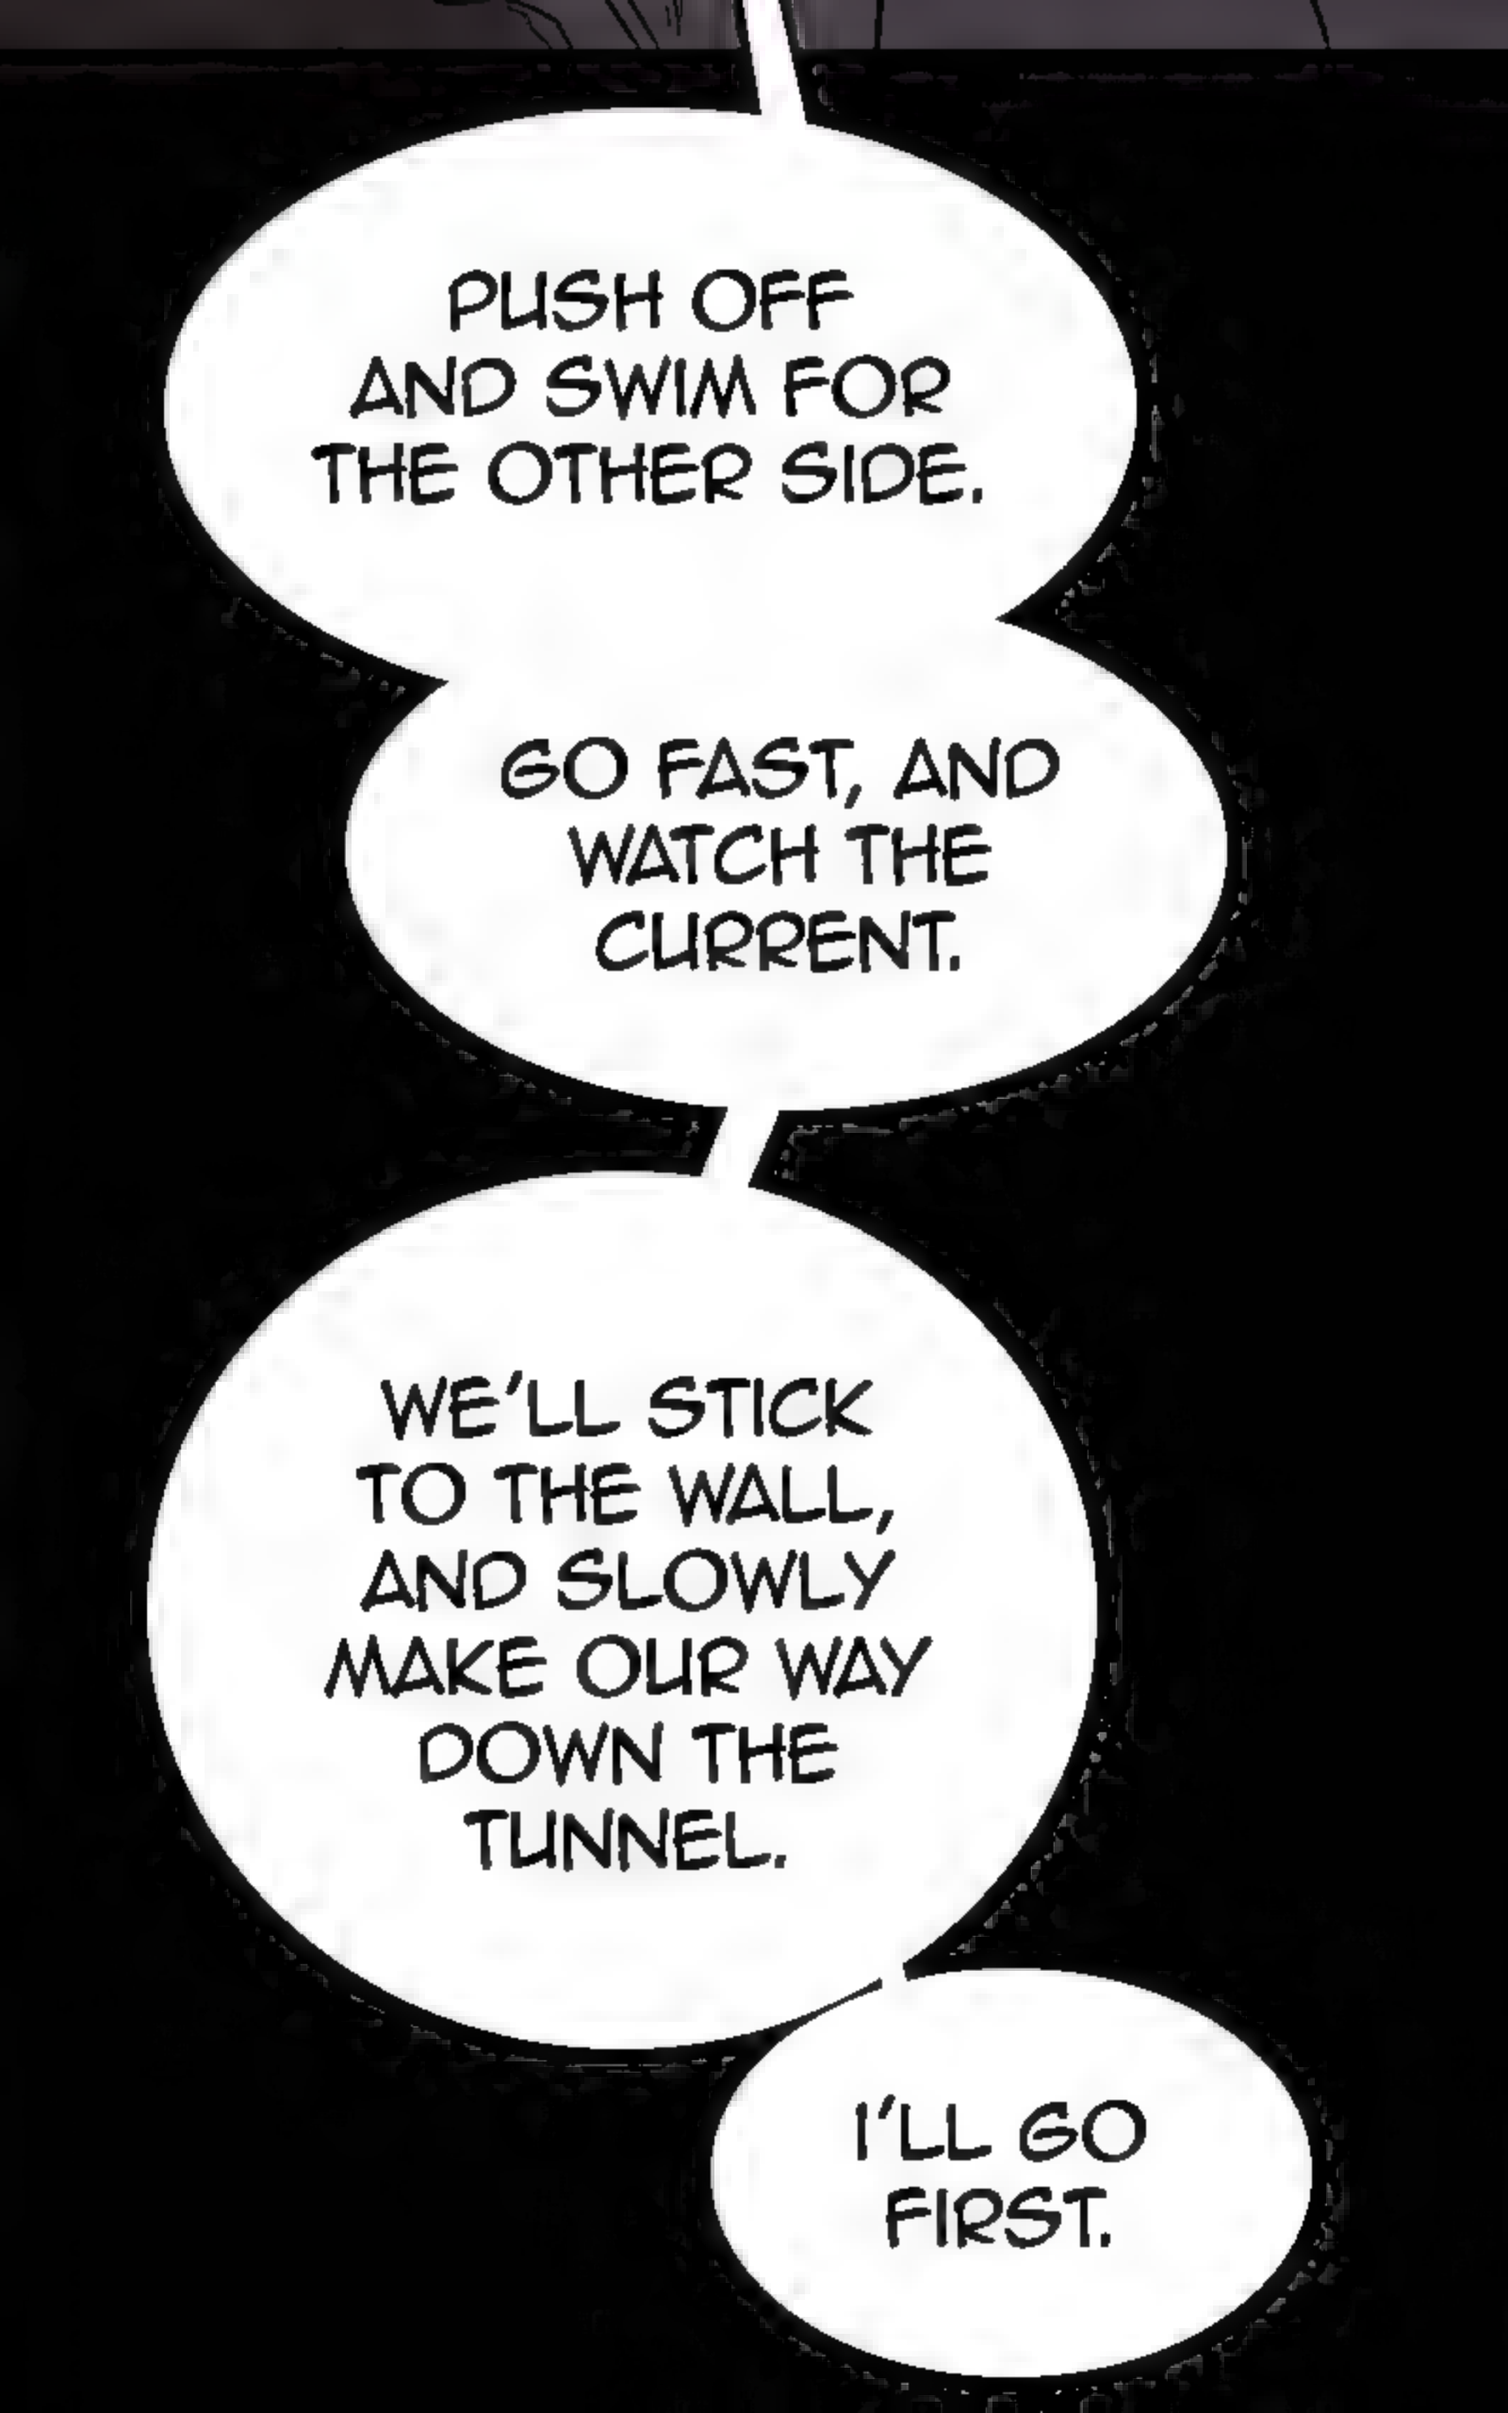
SPLAAASH!

EVERYONE
BE CAREFUL...

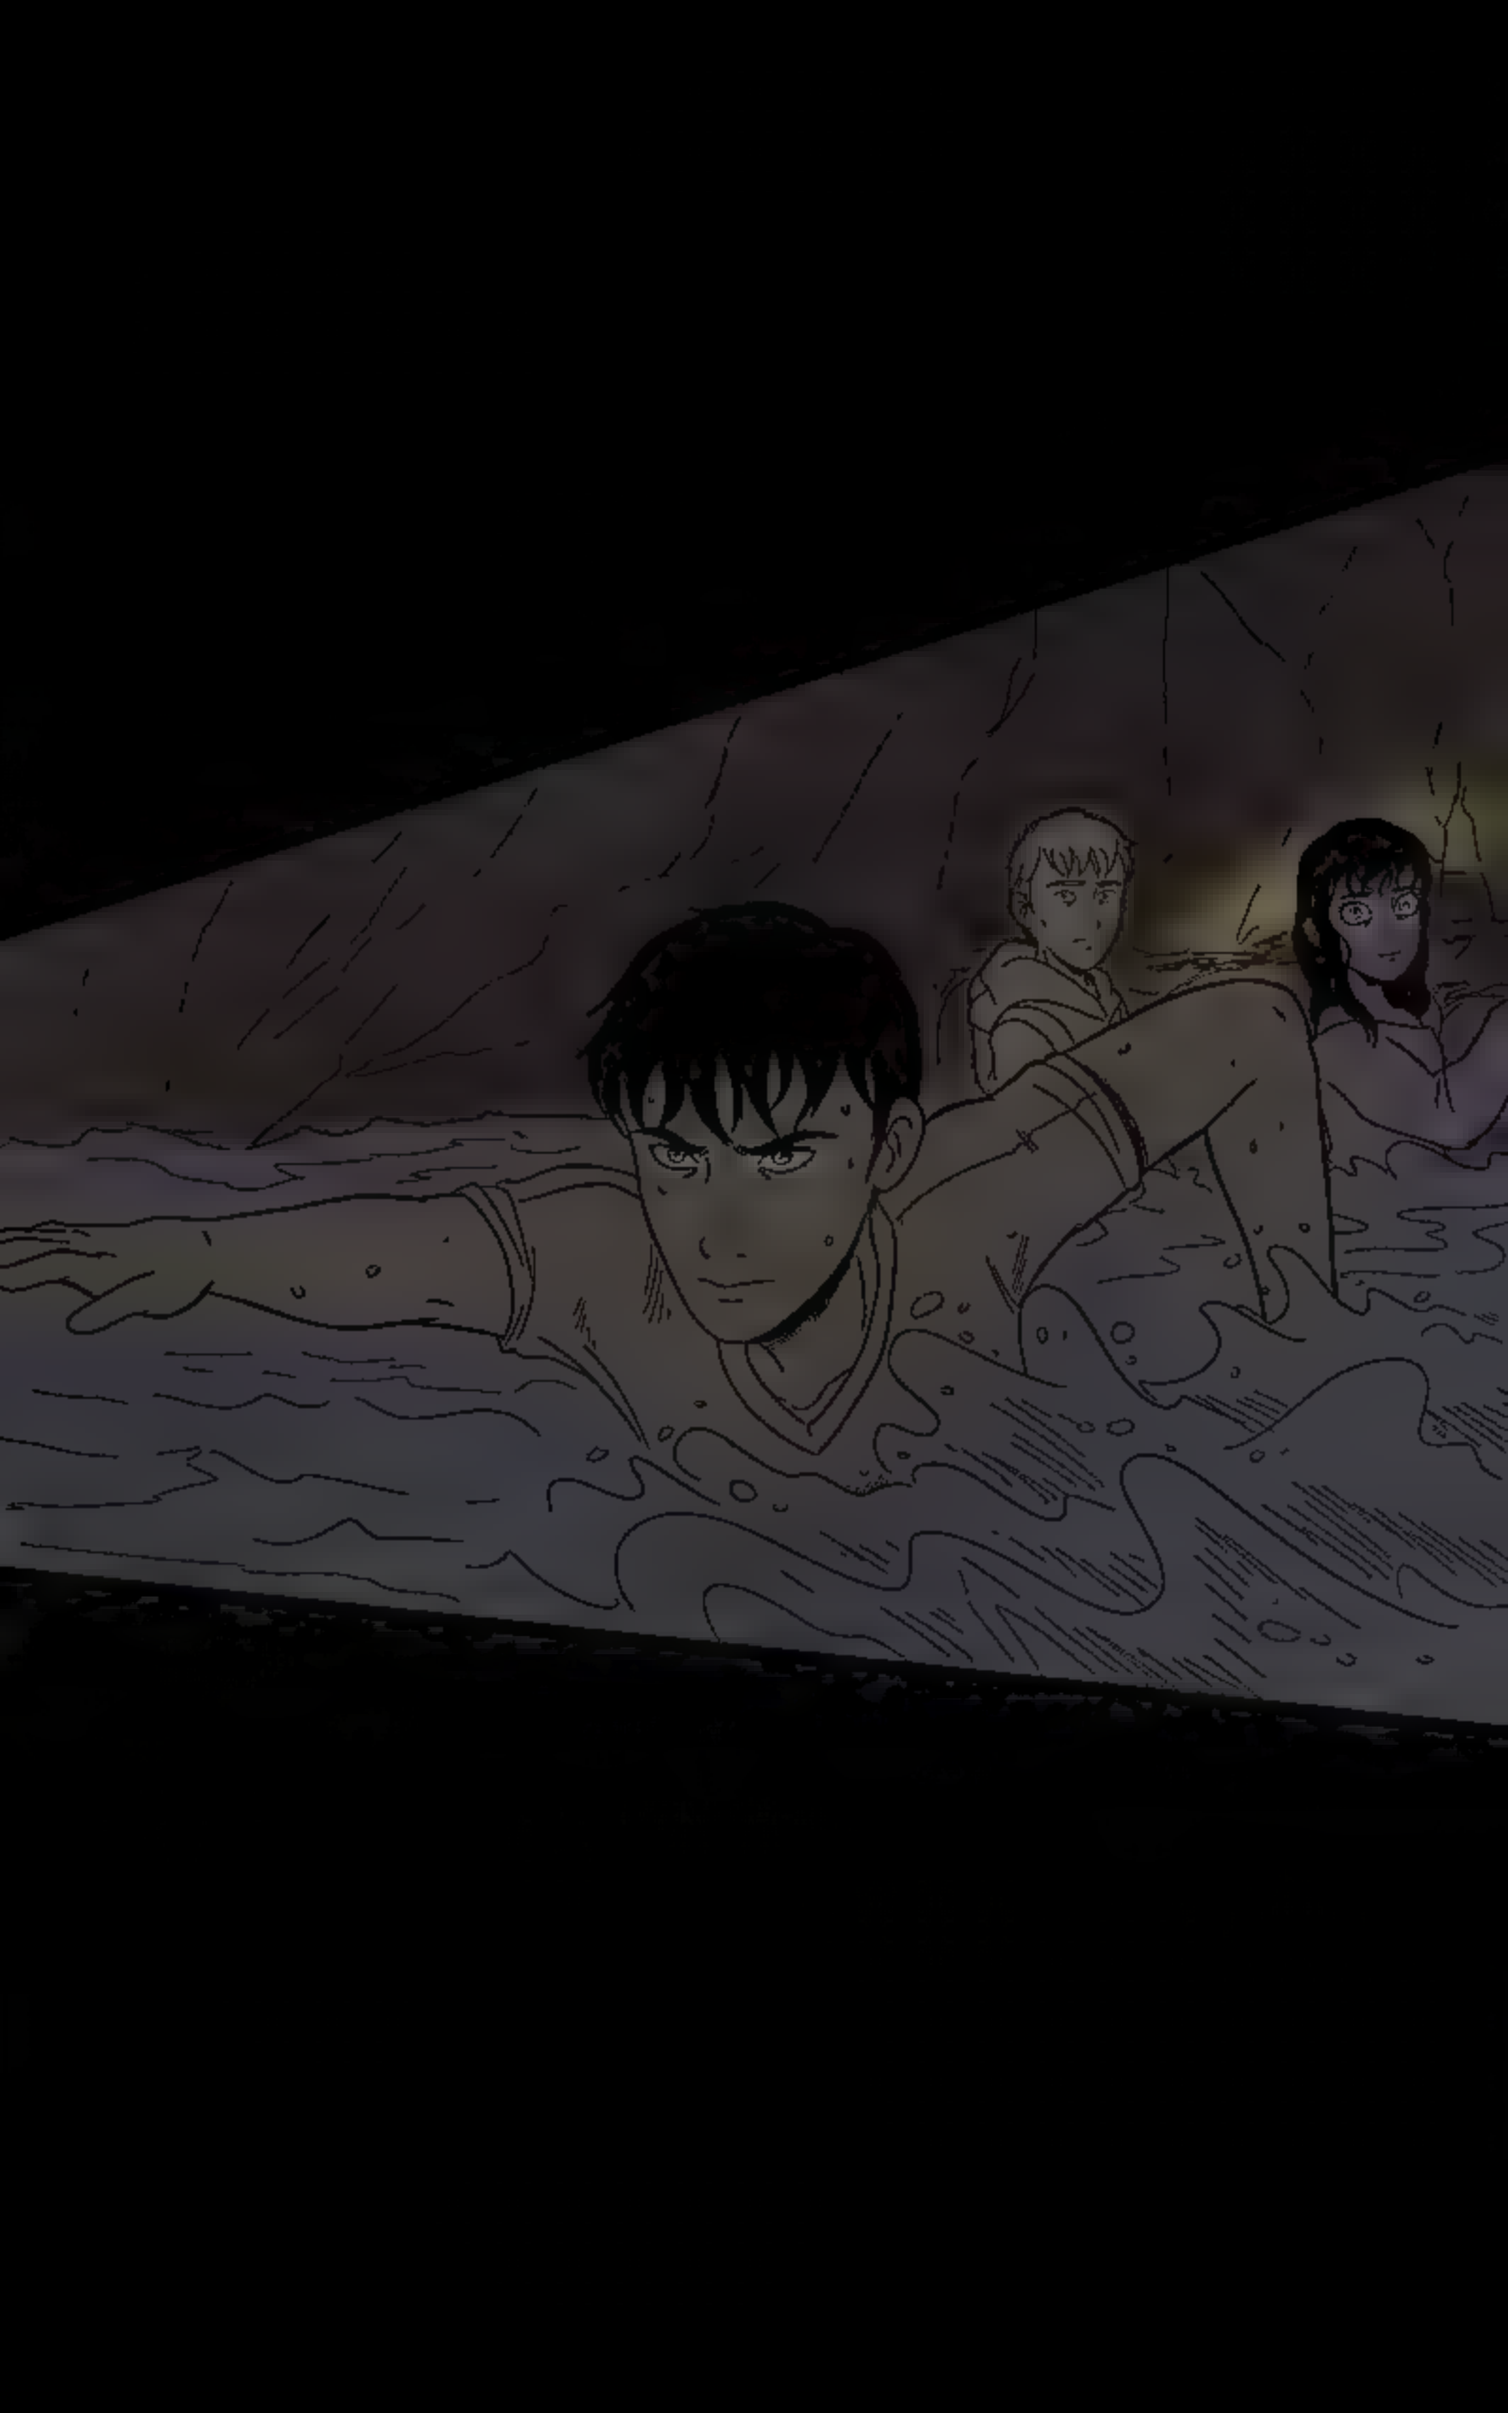
DON'T LET GO OF THE LEDGE.
OKAY, WE



HAVE TO STAY TO THE LEFT, LIKE ASHLEY SAID.
THAT'S THE FASTEST WAY TO THE MAIN CHAMBER.

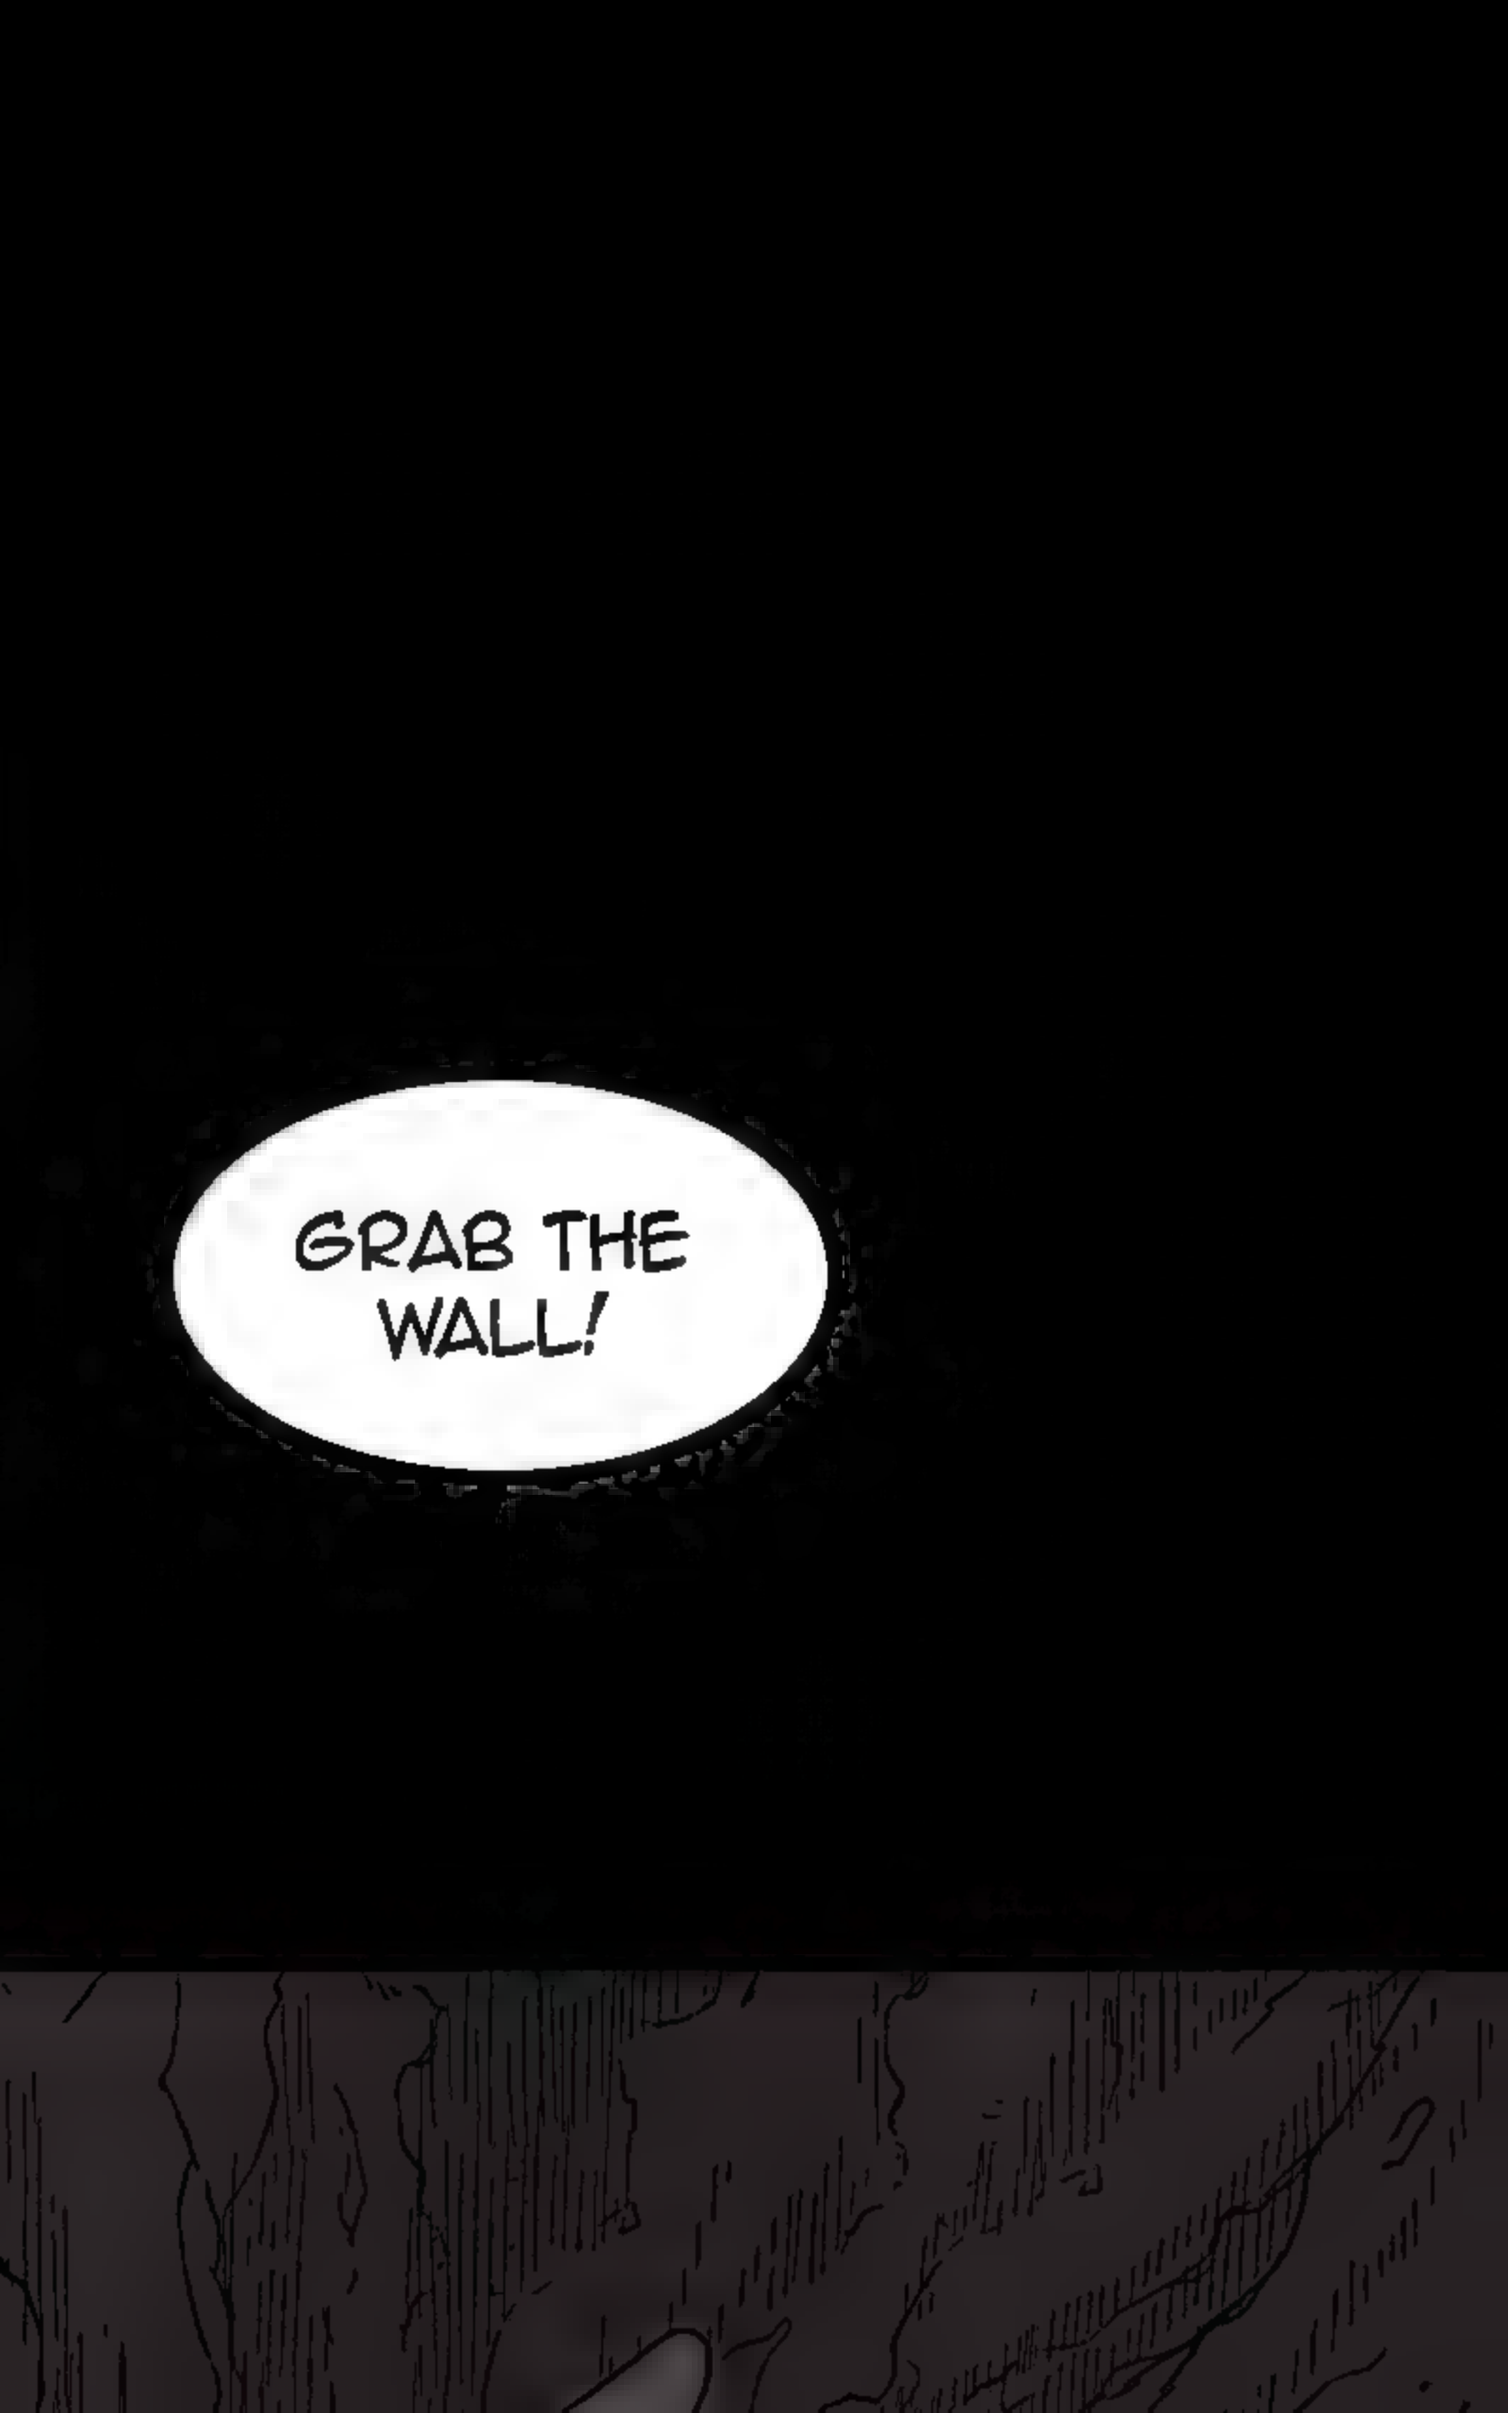


PUSH OFF AND SWIM FOR THE OTHER SIDE.
GO FAST, AND WATCH THE CURRENT.
WE'LL STICK TO THE WALL, AND SLOWLY MAKE OUR WAY DOWN THE TUNNEL.
I'LL GO FIRST.



OKAY!
YOU TWO NEXT!

CAREFUL, THERE'S A STRONG UNDER-CURRENT!
GOT IT...



GRAB THE WALL!

NNGHH...

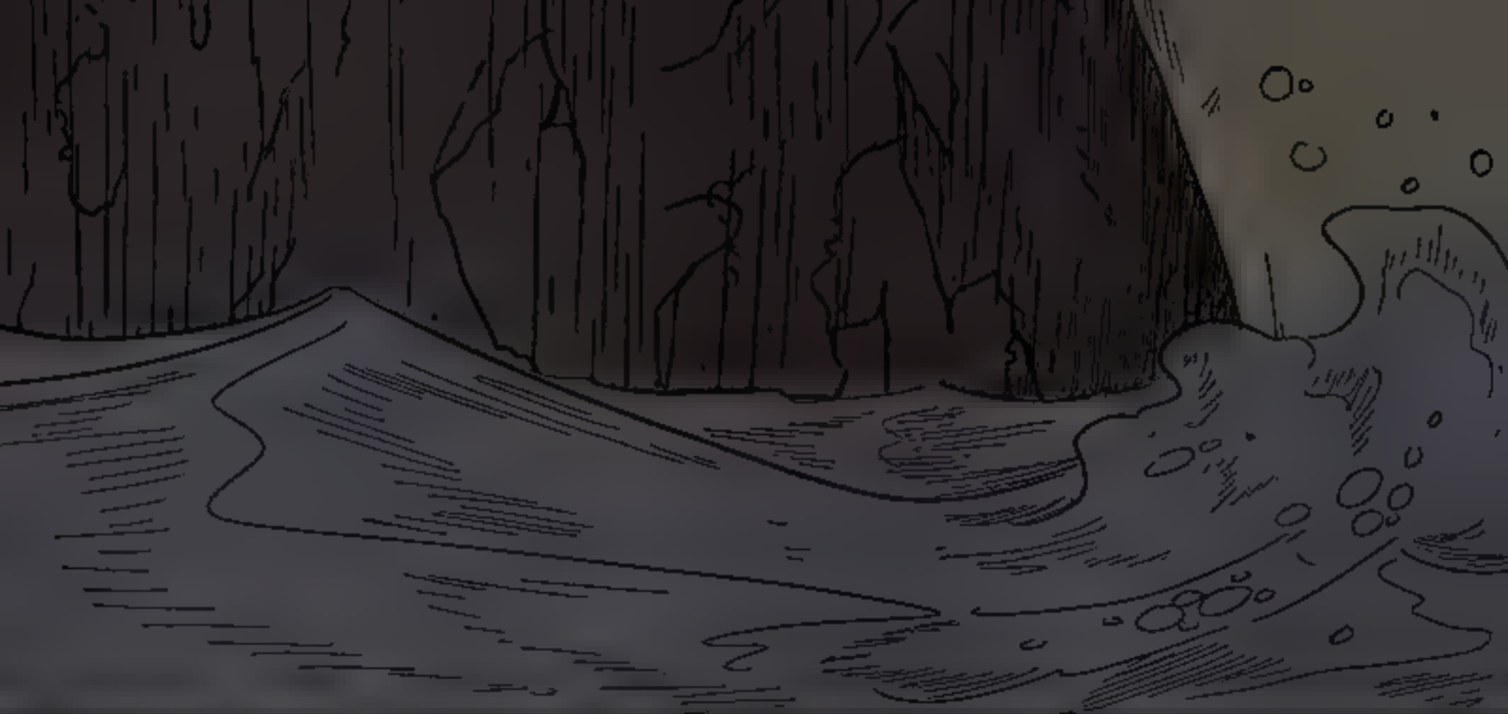
YOU GOOD, FRAN?
Y-YEAH.
FINE.

WATER'S STRONGER THAN I THOUGHT...

J! GET TO THE WALL!

I'M TRYING!
THE WATER'S TOO FAST!
GET OVER, QUICK!

GOT IT!

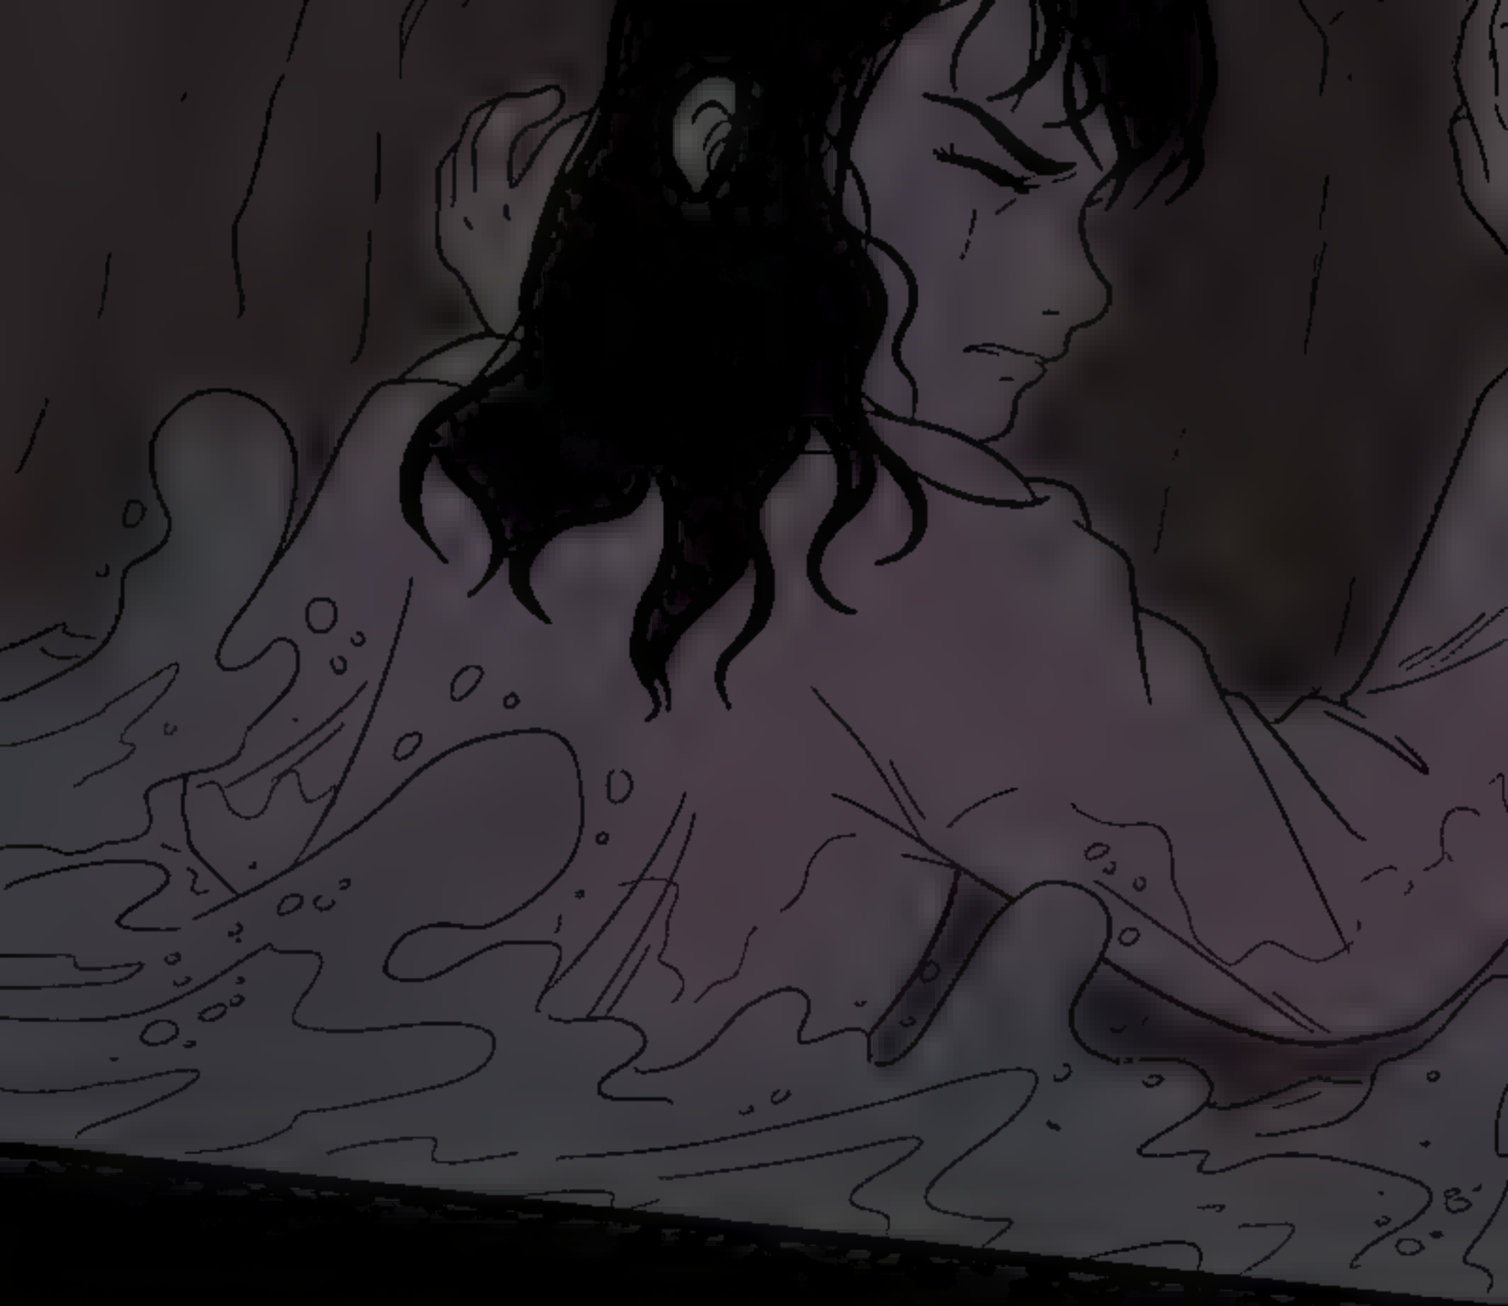


YOU GOOD, J?

YEAH!

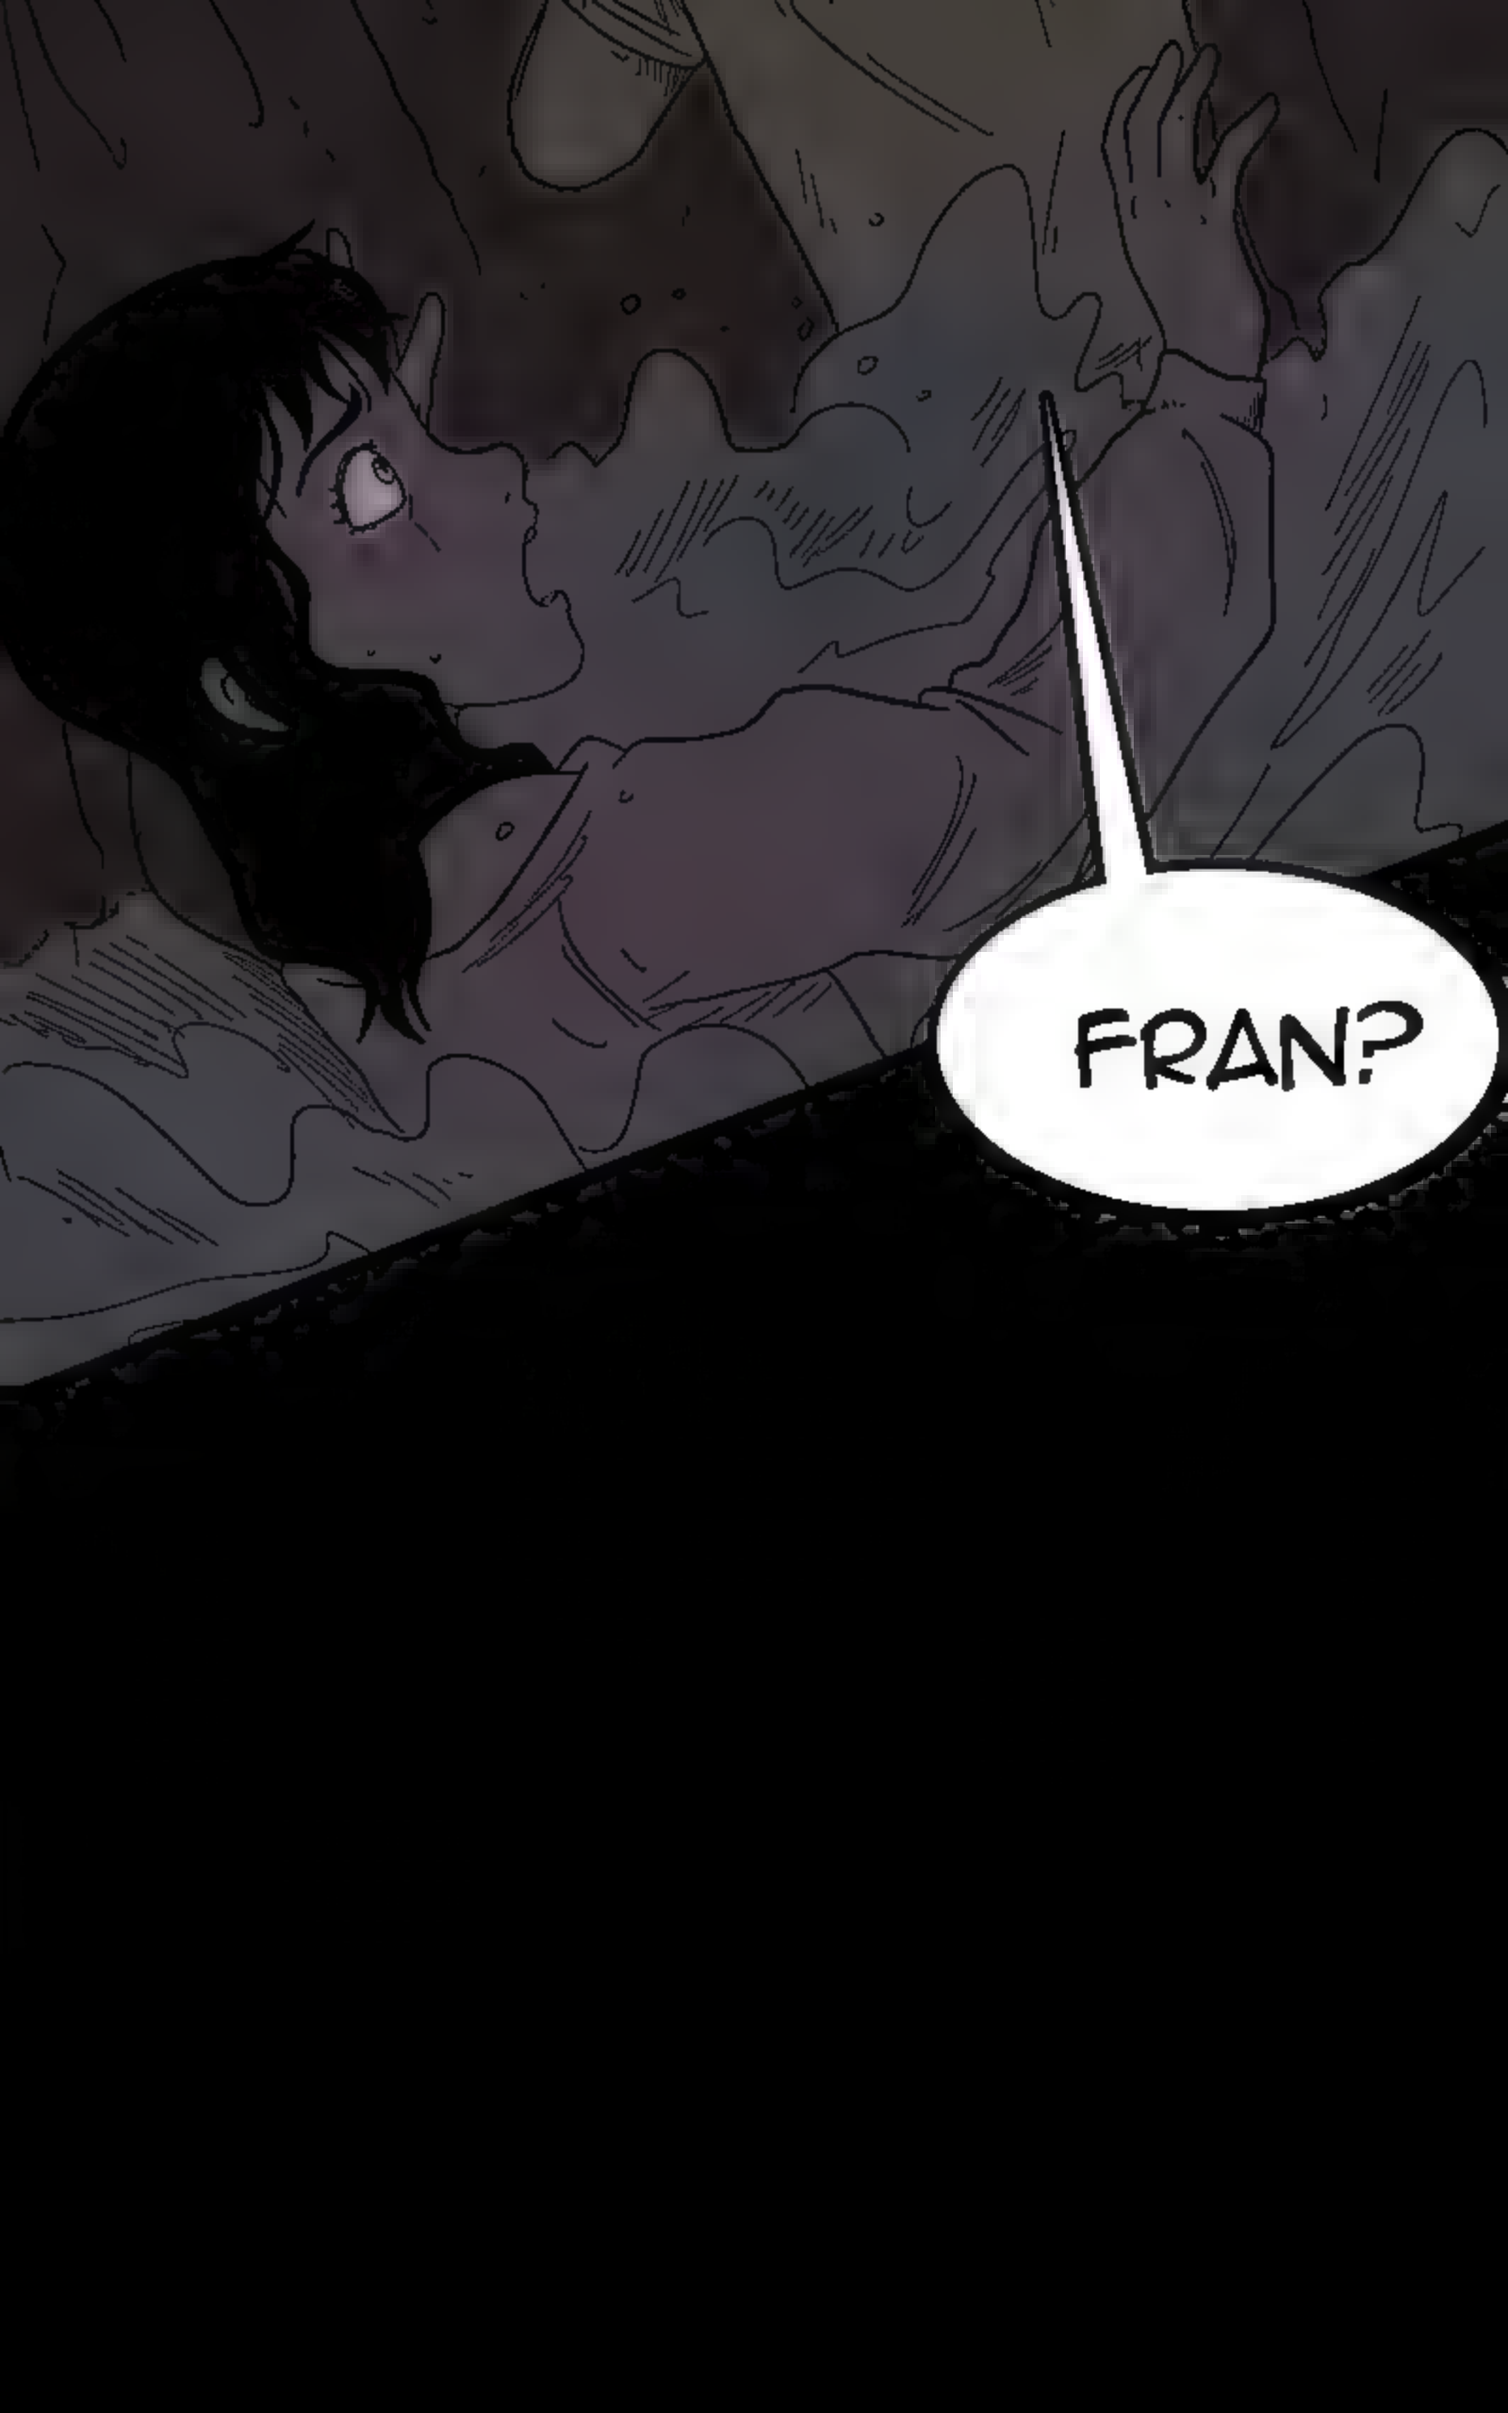
YEAH!
FELIX, I DON'T KNOW

IF THIS WILL WORK! IT'S HARD TO STAY ON THE WALL!
I-IT'S TOO FAST...
THE CURRENT'S GETTING STRONGER, I SWEAR...



CRAAACK
AAAH!

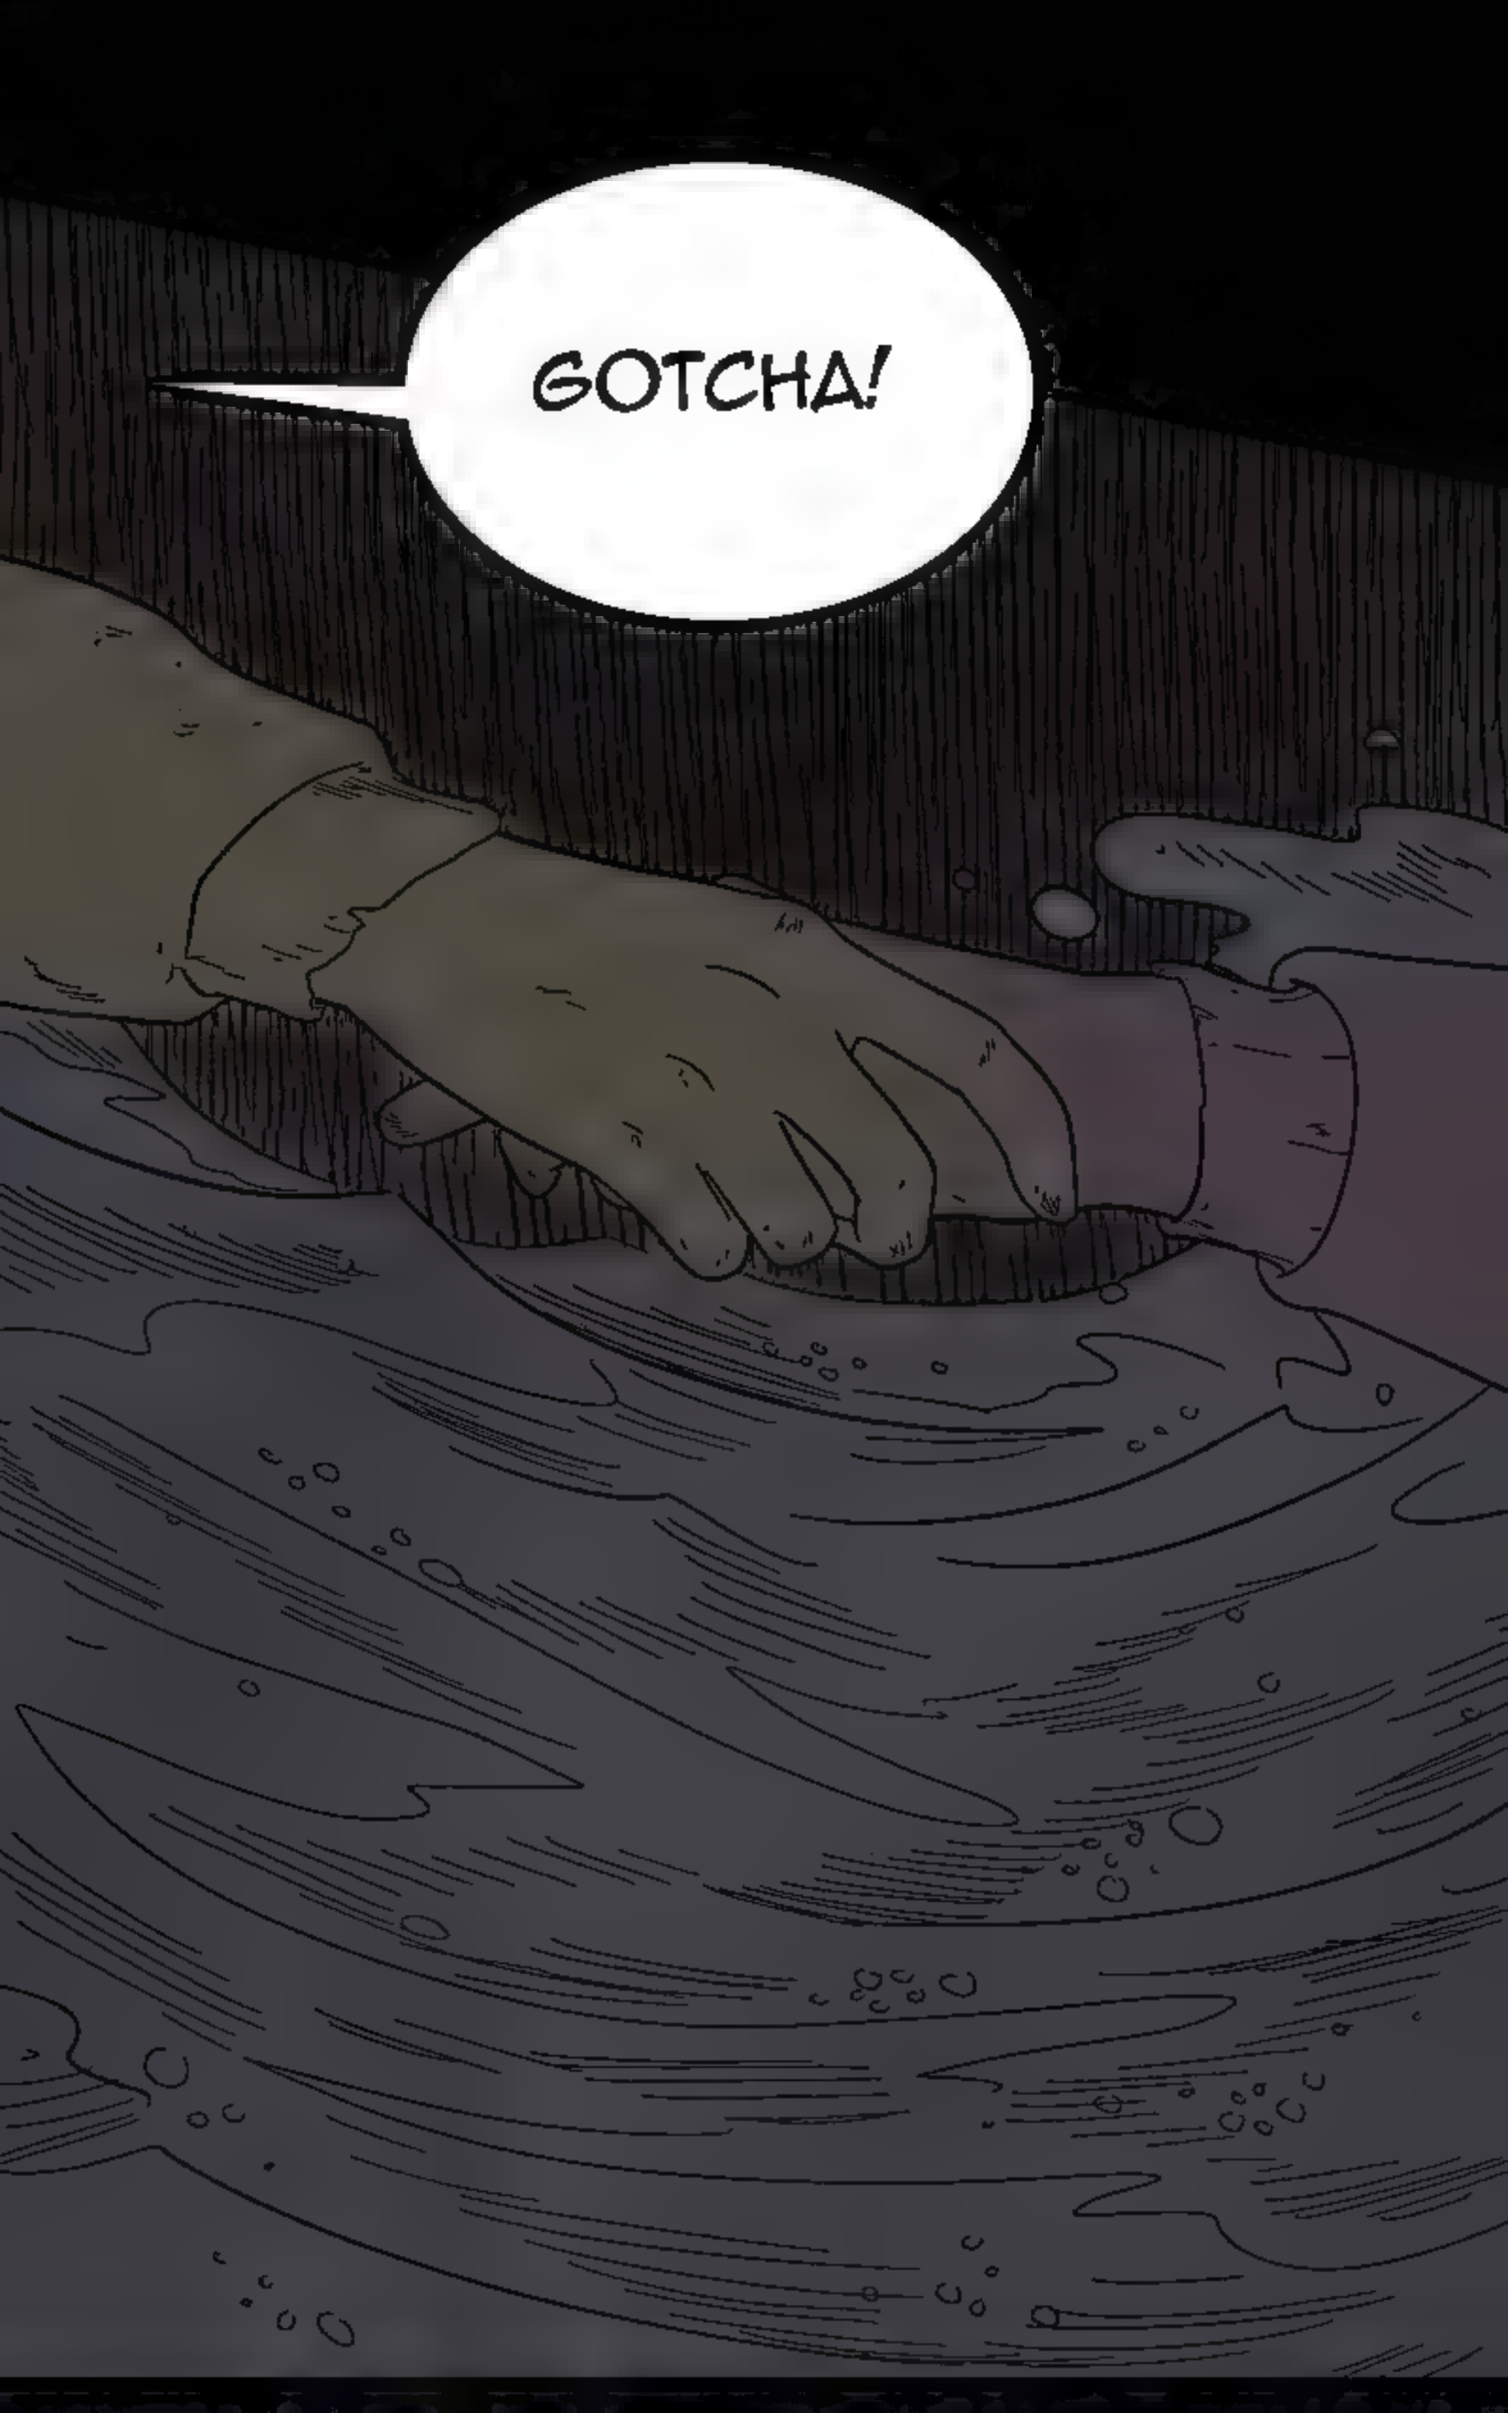
HELP!



FRAN?

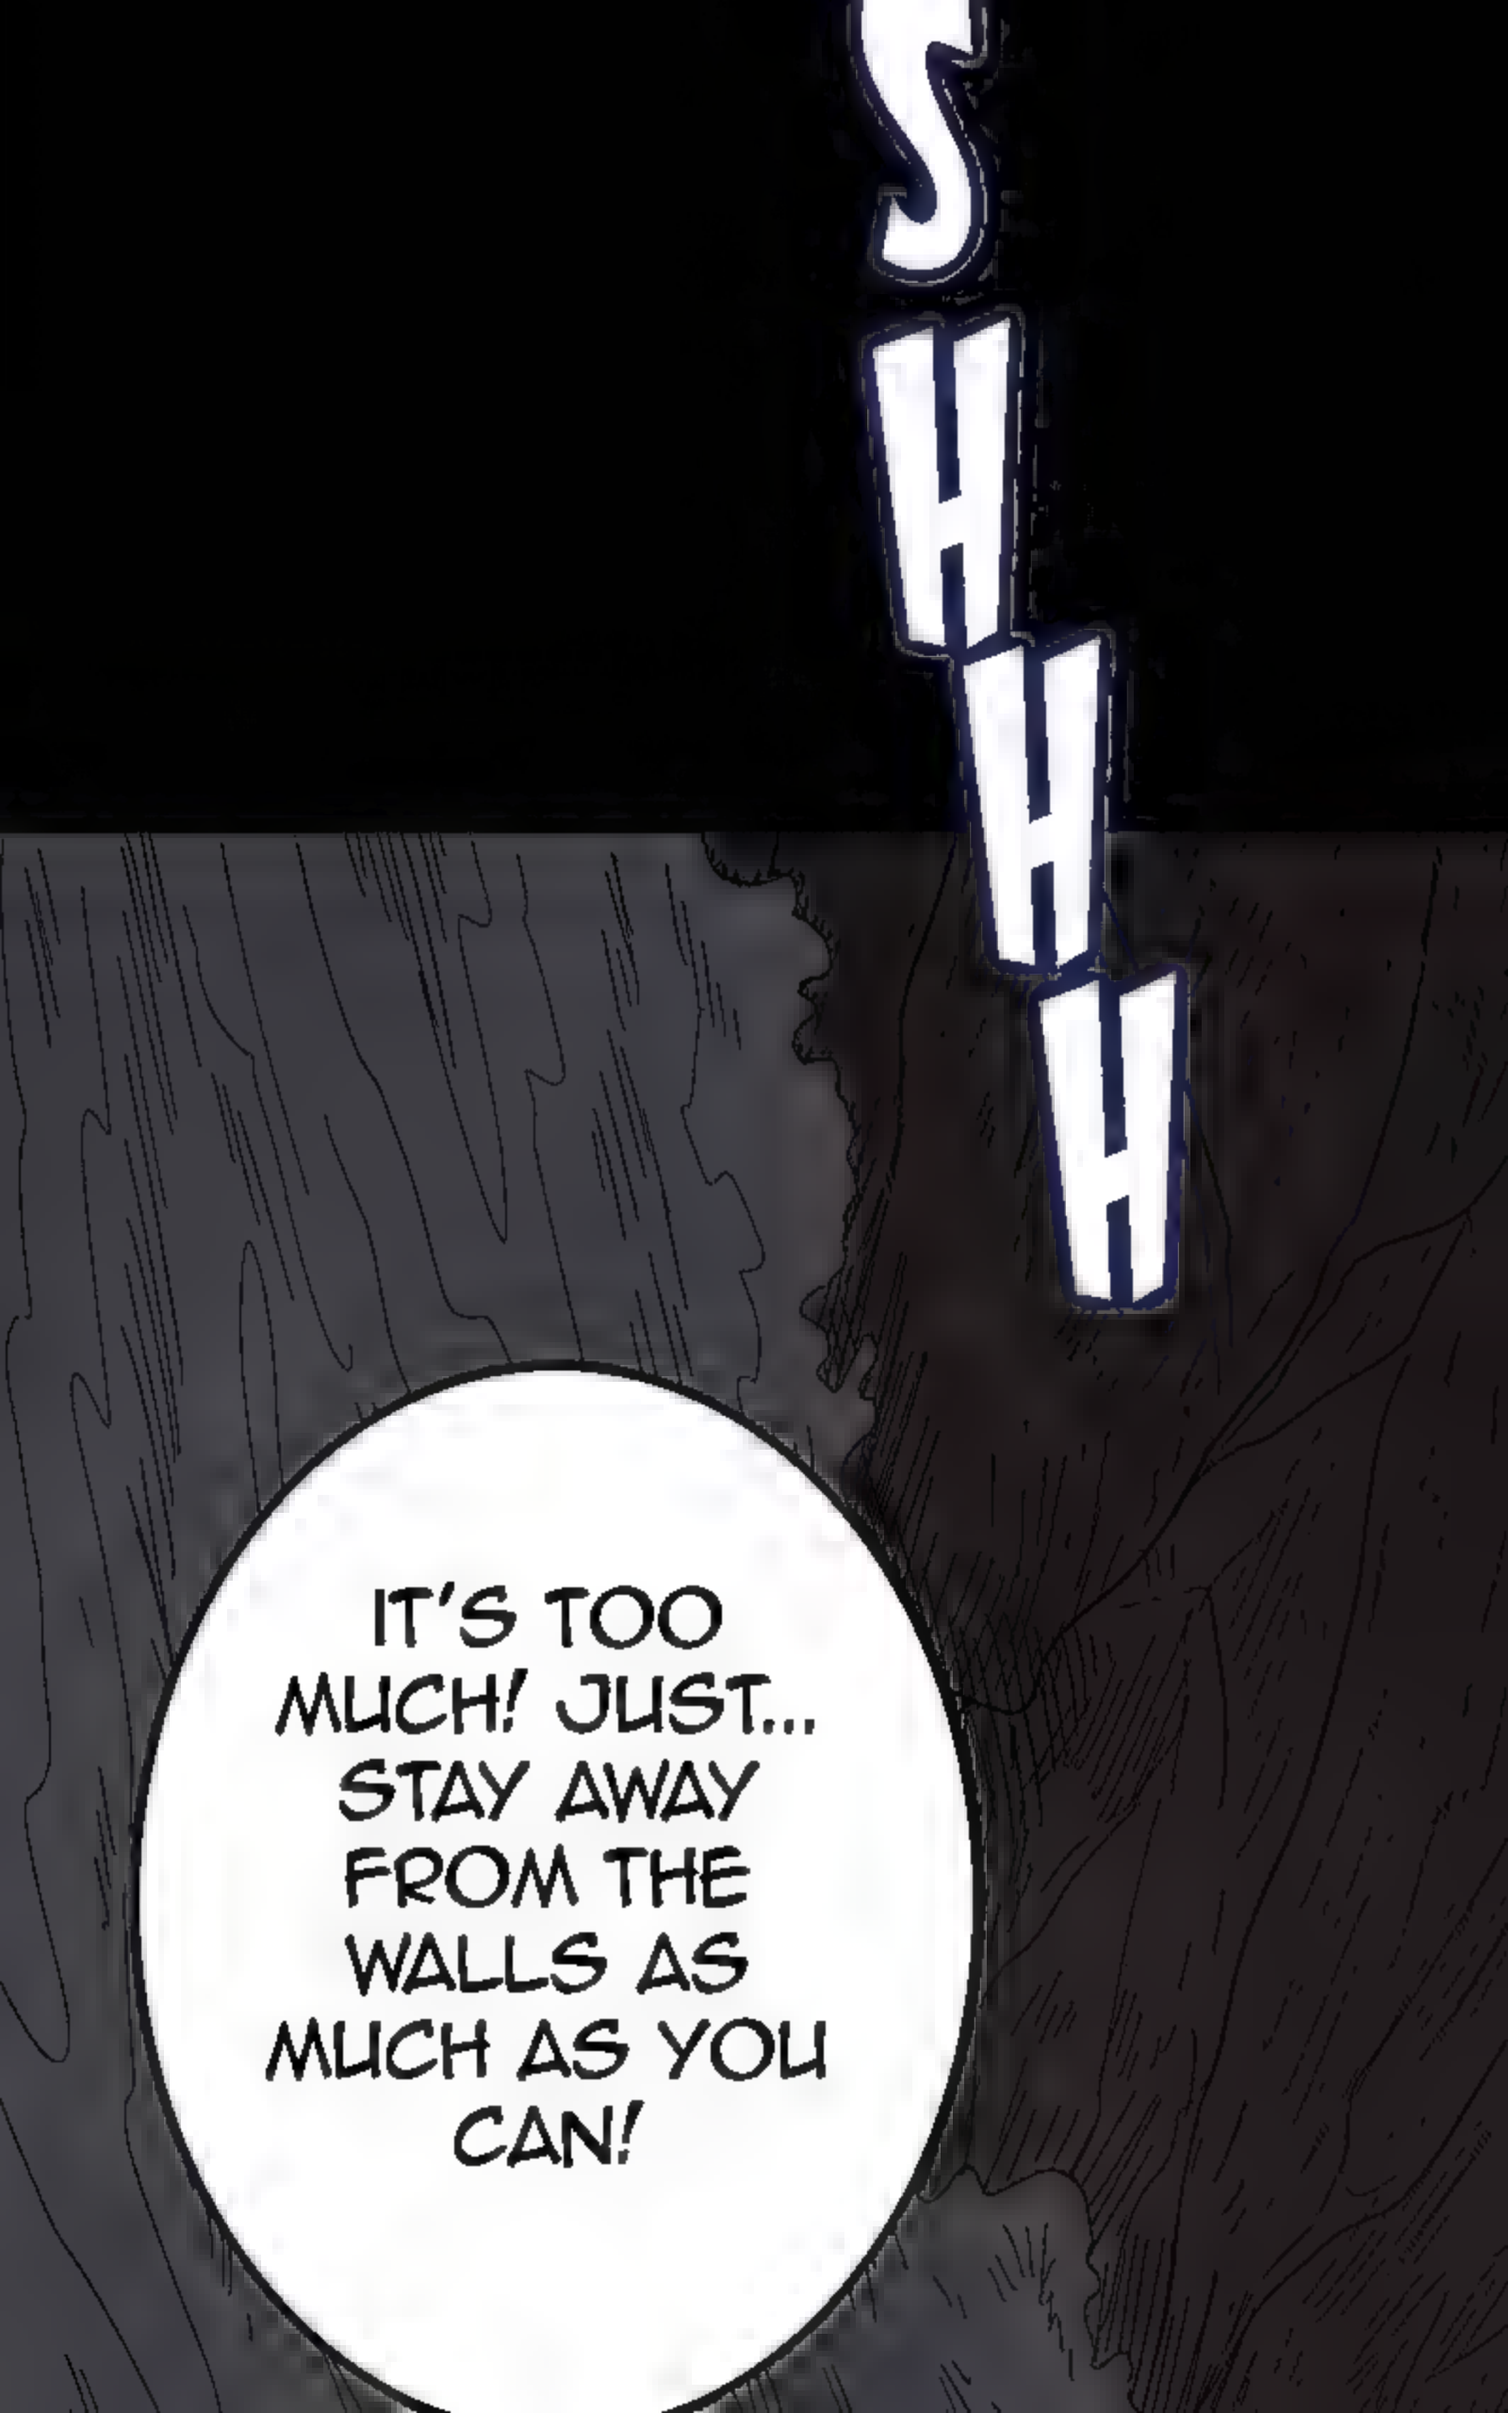
J, GRAB HER!

FRANKIE!



GOTCHA!

KRRRS

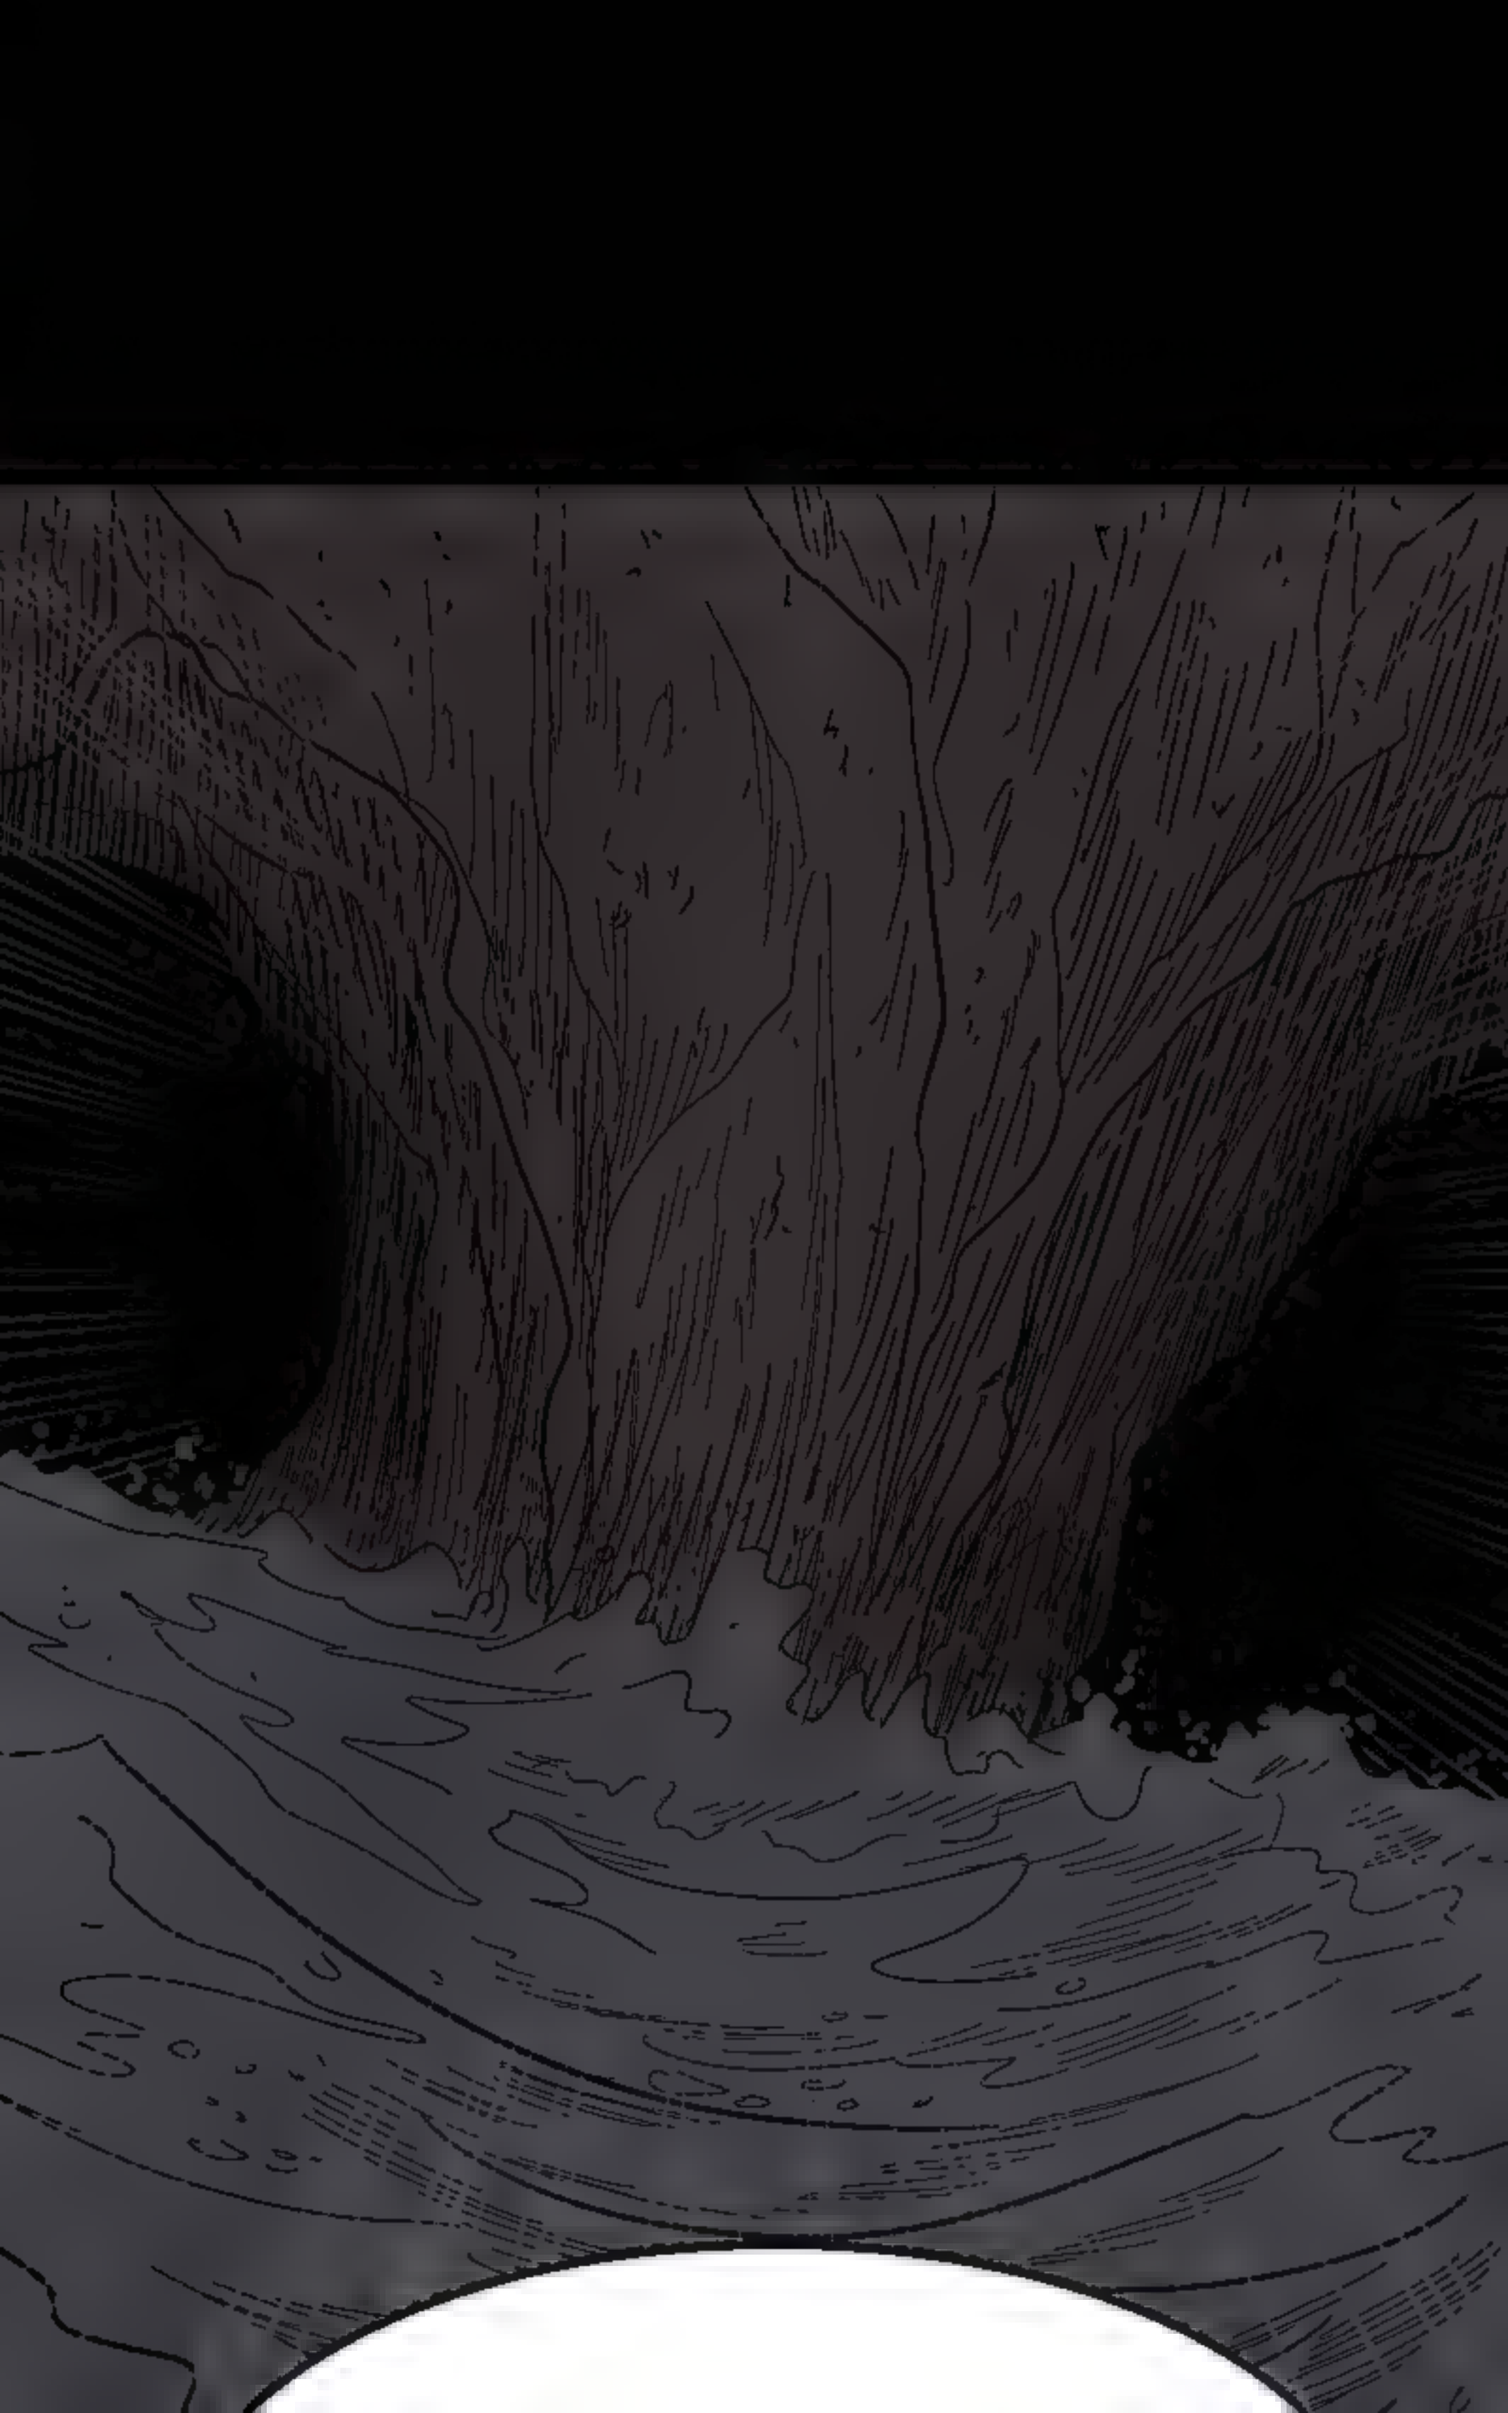


SHHH
IT'S TOO MUCH! JUST... STAY AWAY FROM THE WALLS AS MUCH AS YOU CAN!

FELIX, THE TUNNEL'S GETTING BIGGER!

GUYS!

UP
AHEAD!



THE TUNNEL'S SPLITTING OFF UP AHEAD!
WATCH OUT FOR THE ROCKS!

WE HAVE TO GET TO THE LEFT!
WE DON'T KNOW WHERE

KNOW WHERE THE RIGHT ONE GOES!

KRR-
RR-
RRR-
RRRR...

YANK
AHHH!
SOMETHING'S GOT MY LEG!

SMACK

AAAHH!
FRANKIE!

HANG ON!

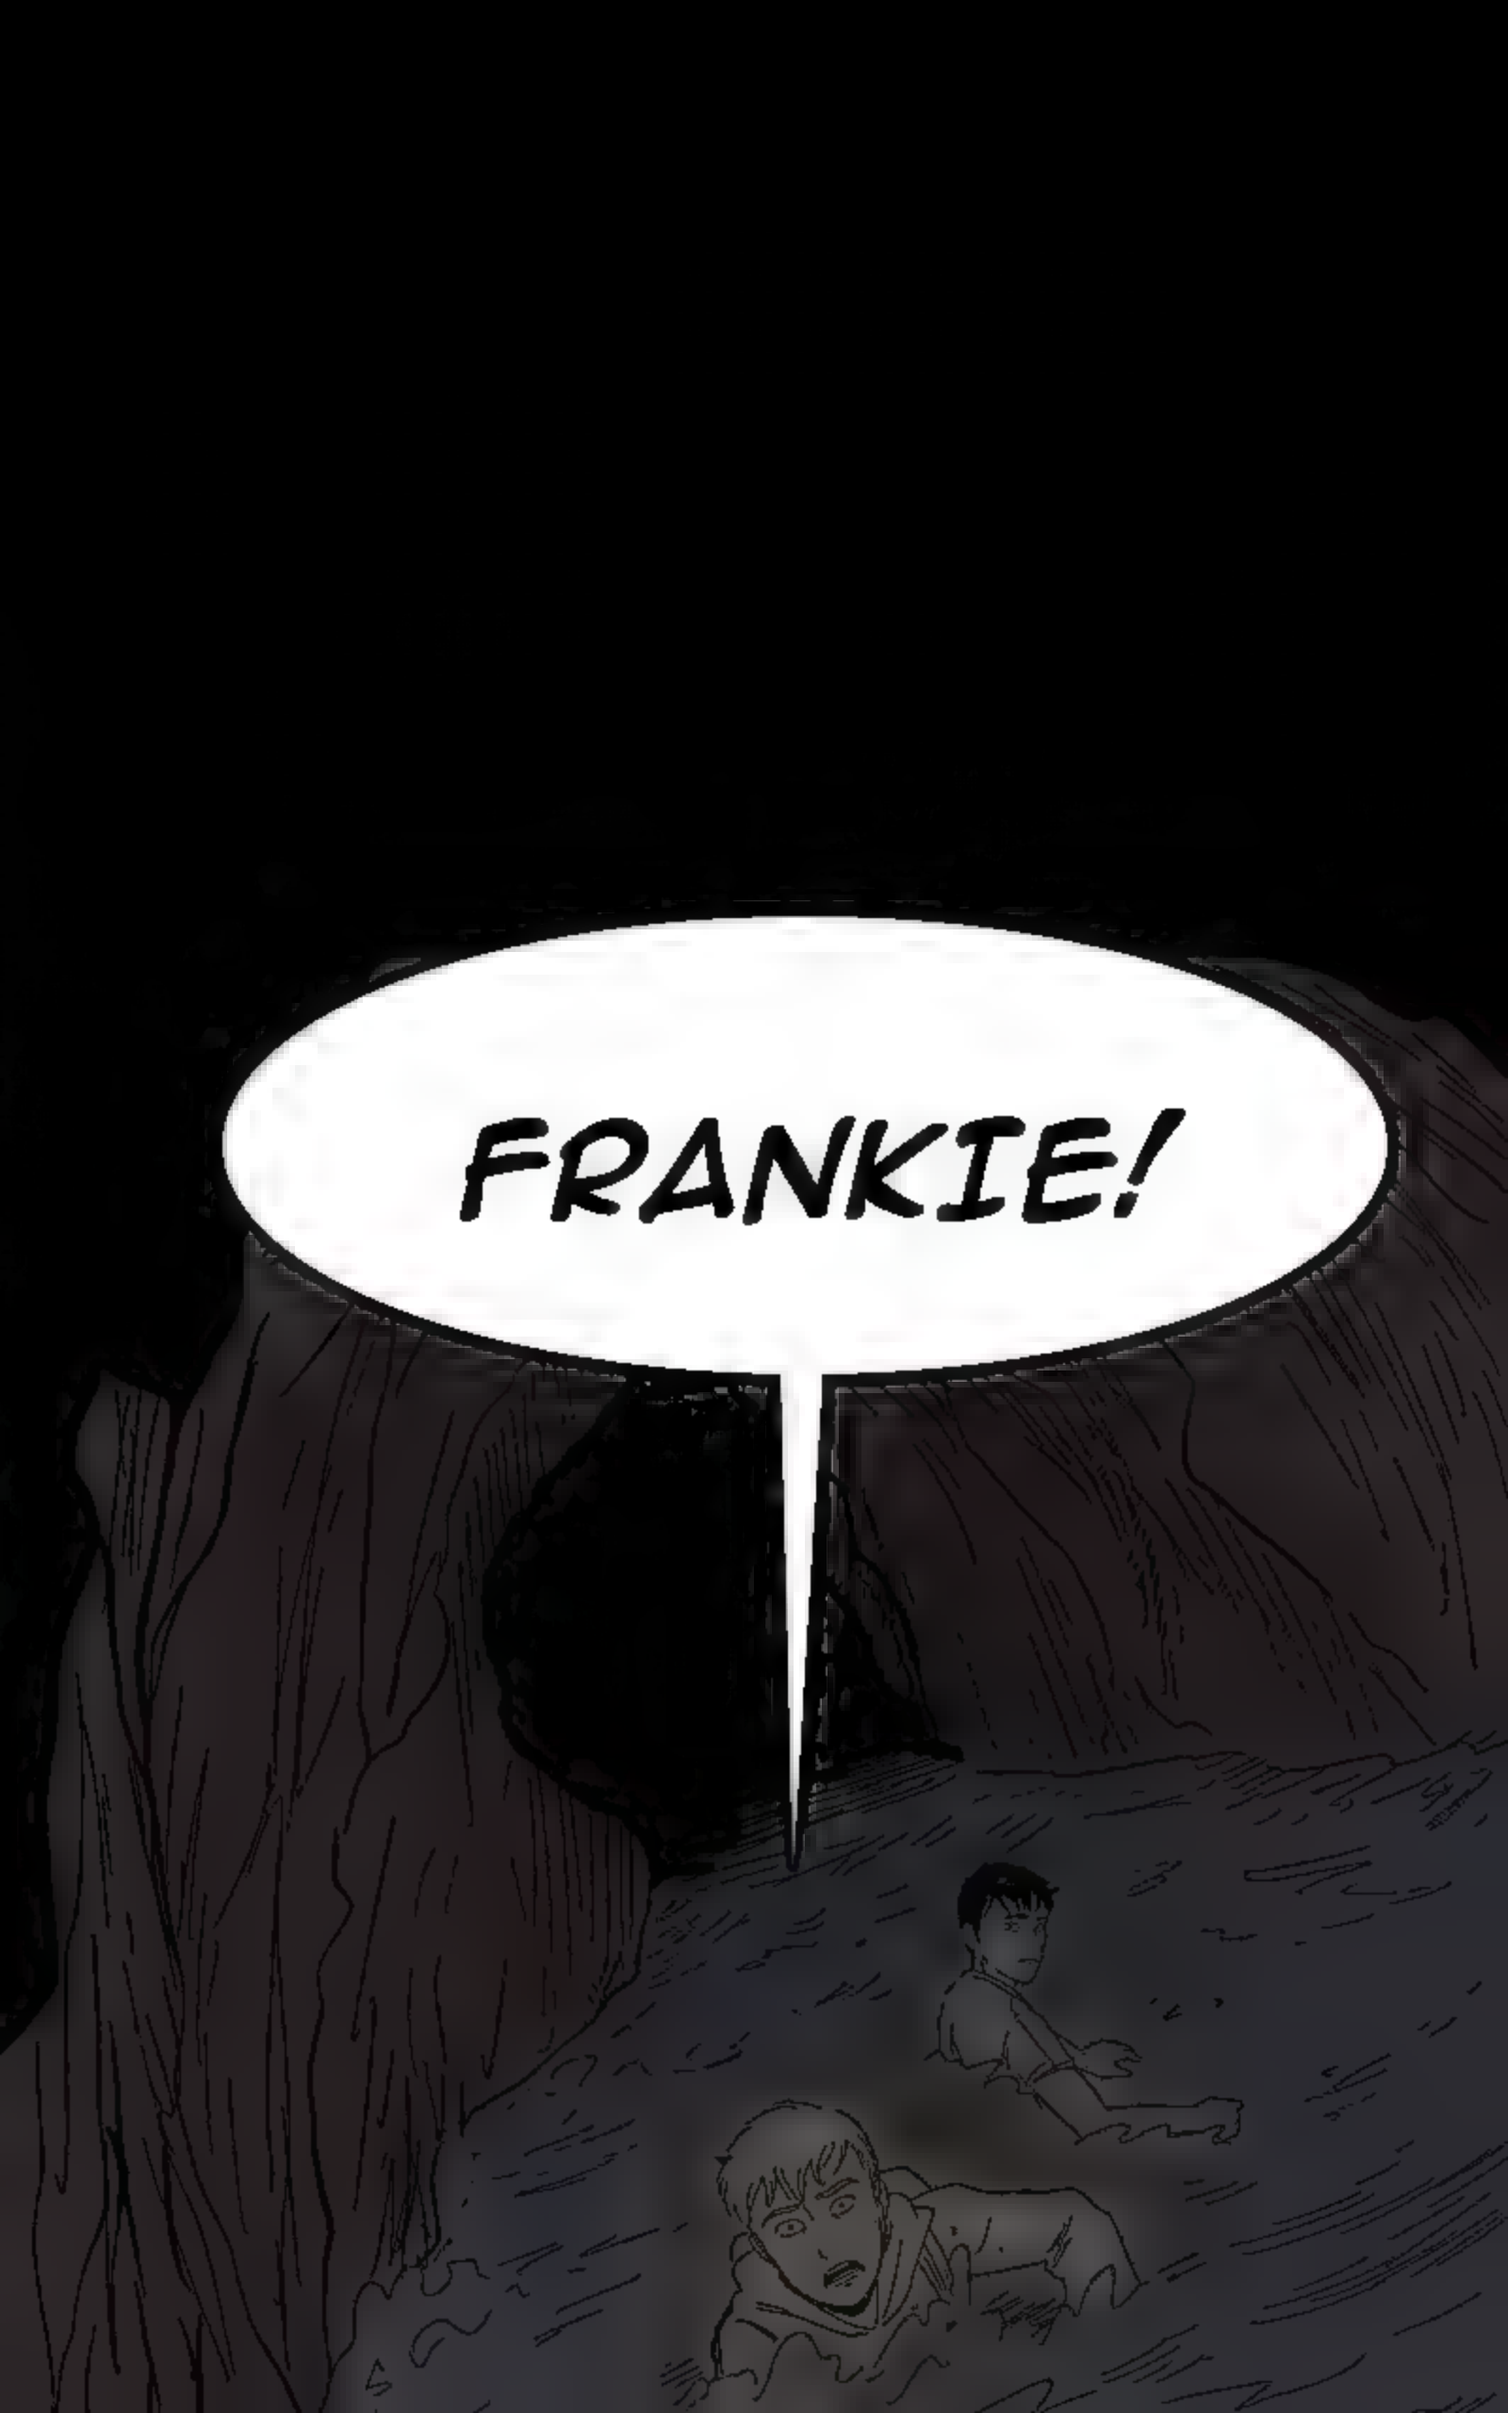
JUST HANG ON!
I'M TRYING!

DON'T LET ME GO!

HOLA ONTO

HOLD ONTO ME!
PLEASE!

I'M TRYING TO!



FRANKIE!
